US DAHON CATALOG

DAHON TECH (Stock Code: 2543.HK)

ABOUT DAHON

DAHON, a well established leader in the global folding bike market, was founded in 1982 by Dr David T. Hon, a renowned American aeropsace expert and physicist.With a vision to create sustainable urban mobility solutions through innovative engineering. DAHON is committed to advancing environmental conscious and green transportation alternatives that transform how people commute in cities. DAHON has been one of the most iconic brands in the folding bicycle industry.

DAHON-V

SPEED TECHNOLOGY

Simply Faster

The DAHON-V technology suite features innovative design methods that enhance bike frame rigidity through structural physics, finite element analysis, and strain gauge testing. This groundbreaking approach rigorously tests frame strength and sets up the parameters for bike frame improvement.

With "Measurement & Validation," "Component Solutions," and "Application", DAHON-V tech suite effectively addresses design flaws, resulting in bikes that are lighter, faster, sleeker, and more enjoyable to ride.

ACCESSORIES

The perfect way to enhance your ride, adding both functionality and style. From adjustable racks to practical panniers and pedals, these accessories help improve safety,comfort,and convenience.

Bestsellers

21-5-12

DAHON Combination Cable Lock

- 5-digit resettable combination lock with 10,000 codes.
- Durable braided steel cable with PVC coating.
- Self-coiling 4-foot cable for easy transport
- Includes seatpost mount and quick-in stall bracket.

21-5-03

DAHON Landing Gear - Aluminum Bikes

- Flip down the wheel for easy rolling when folded.
- Tucks under the bike while riding.
- Compatible with aluminum Dahon models only.
- Check for a rectangular braze-on with 2 screw holes before ordering.

14-1-04

Arclite Aluminum Rack

- Fits most DAHON 16" and 20" bikes.
- 20" includes an elastic strap; 16" has a spring-loaded retainer.
- Lightweight aluminum with light/ reflector mount.

13-3-10

DAHON Front Bag Small

- Required Parts: Valet Truss & Quick Coupler Set.
- Shoulder strap.
- Easy mounting with Dahon quick fix system.
- Material: 600D Polyester.
- Water resistant.

51-1-02

Integrated Seat Post Pump 34mm

- Seamlessly incorporated into seatpost.
- Reaches 100 psi in less time than other mini-pumps.
- Keeps a portable pump for flat tires always within reach.
- Post Pump head adapts to fit Presta and Schraeder valves.

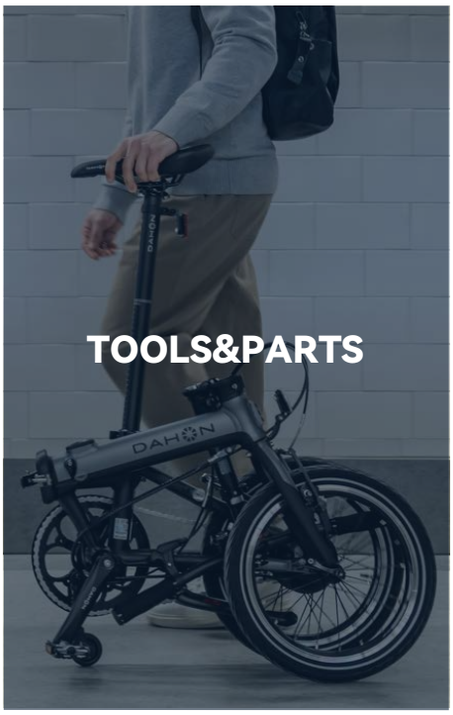

35-2-02

SKS 20" Fenders

- Tough plastic fenders for 20" Dahon folding models.
- Keep you dry and free of muck in wet conditions.
- Includes a rubber mud flap for added protection.

NOTE: Not compatible with K-ONE eBike models.

21-5-05

Dr.Hon Cure All Tool

- Unique Tool made of 7000 series aluminum.
- Features a hardened steel hex head in ABS housing.
- Articulating design for quick-turning or 90-degree torque.
- Stores neatly in the handlebar.

21-2-04

DAHON Adjustable Kickstand

- Fits 16, 20, 24 inch wheel DAHON bicycles.
- Easy to Mount.

21-5-11

Classic Bicycle Bell

Aluminum Construction
Weight: 21g
360 degree rotatable
Compatible with handlebar diameters of 21-25mm.

51-2-01 51-2-02

DAHON Replacement Standard Seatpost

- Dahon standard replacement seatpost.
- Size: 33.9mm
- Weight: 558 grams,
- 23"" length (590 mm) from base to seatrails.
- Fits most 2 rail saddles.

21-5-12

DAHON Combination Cable Lock

- 5-digit resettable combination lock with 10,000 codes.
- Durable braided steel cable with PVC coating.
- Self-coiling 4-foot cable for easy transport
- Includes seatpost mount and quick-in stall bracket.

21-5-03

DAHON Landing Gear - Aluminum Bikes

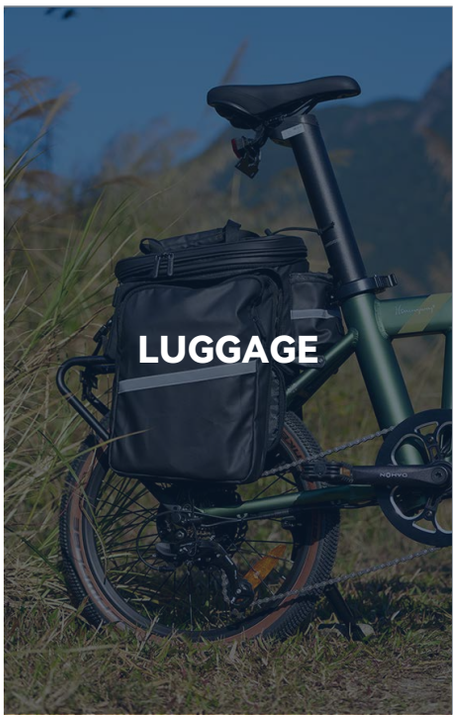

- Flip down the wheel for easy rolling when folded.
- Tucks under the bike while riding.
- Compatible with aluminum Dahon models only.
- Check for a rectangular braze-on with 2 screw holes before ordering.

51-1-02

Integrated Seat Post Pump 34mm

- Seamlessly incorporated into seatpost.
- Reaches 100 psi in less time than other mini-pumps.
- Keeps a portable pump for flat tires always within reach.
- Post Pump head adapts to fit Presta and Schraeder valves.

26-1-05 26-1-07

Aluminum Water Bottle Cage

Material: Aluminum
Weight: 30g
Hooked design holds bottle securely
Screws & Tool included
NOTE: In order to install and use this product the bike frame must be equipped with factory pre-drilled water bottle cage holes and hardware.

21-5-12

Colorful Sports Helmet

- 57-62cm,250g,high quality PC+EPS
- Intergrated Design,lightweight&stable
- Super long tail light,double safety.

13-7-14

Folding Lockable Helmet Bag

Store your helmet on your bike safely.

A combination lock makes for easy use and stores on the bike when not in use.

13-7-17

Dr.Hon Cure All Tool

- Unique Tool made of 7000 series aluminum.
- Features a hardened steel hex head in ABS housing.
- Articulating design for quick-turning or 90-degree torque.
- Stores neatly in the handlebar.

13-7-13

DAHON Adjustable Kickstand

- Fits 16, 20, 24 inch wheel DAHON bicycles.
- Easy to Mount.

13-3-10

VALET TRUSS AND QUICK COUPLER SET

- Required parts for front racks and cargo baskets on Dahon folding bikes.
- Set includes valet truss and quick coupler.

NOTE: May not fit older DAHON models; check compatibility before purchasing.

13-3-08

Double Pannier Bag Mini

Small version of our double pannier bag which easily mounts over luggage rack.

Small carrier with on carrier clamp system
Connecting bridge and carry strap.
Material: 600 Polyester
Water resistant
Bag size: 27 x 7 x 24cm (approx. 9L)

13-7-07

Stow Away Bike Cover Saddle Bag

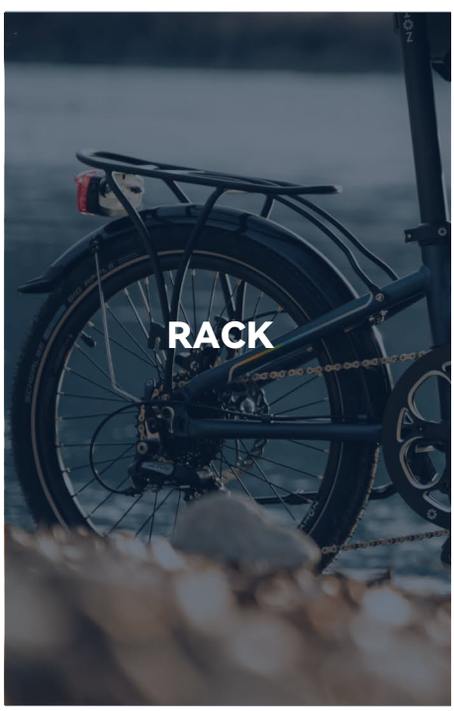

- Zippered closures protect against grime.
- Durable, water-resistant nylon.
- Quick-release clip and hook-and-loop fastener.
- Reflectors for night visibility.
- Dimensions: 4-3/8"x7-7/8"x4-3/4"

13-3-10

DAHON Front Bag Small

- Required Parts: Valet Truss & Quick Coupler Set.
- Shoulder strap.
- Easy mounting with Dahon quick fix system.
- Material: 600D Polyester.
- Water resistant

13-5-06

VALET TRUSS AND QUICK COUPLER SET

- Required parts for front racks and cargo baskets on Dahon folding bikes.
- Set includes valet truss and quick coupler.

NOTE: May not fit older DAHON models; check compatibility before purchasing.
