P39 ADVENTURE GEAR

X-VAULT™

BICYCLE PROTECTION SYSTEM

The Travel Grade Protection System
Your Customers Have Been Waiting For!

Protect what you love! Today's cyclists are investing thousands of dollars in bicycles, especially e-bikes, yet many still transport them completely exposed to rain, road grime, UV damage, and theft. The X-Vault Bicycle Protection System was developed to solve this growing problem with a premium, travel-ready solution. It's unlike anything else on the market!

WHY YOUR CUSTOMERS WILL WANT THE X-VAULT

- Protects 1-2 bicycles during transport
- Heavy-duty fully waterproof construction
- Built-in anti-theft locking system
- Integrated tail, brake and turn lights
- Includes protective frame pads
- Compression system designed for highway travel
- Premium construction built specifically for transporting bicycles

COMPLETE 4-PIECE KIT INCLUDES

X-Vault Travel Bicycle Cover

Integrated LED Tail Light System

Integrated Anti-Theft Lock

Protective Frame Pad Set

DESIGNED FOR

- Hitch-mounted platform bike racks
- 1-2 bicycles
- Not designed for hanging-style bike racks

VEHICLE RECOMMENDATIONS

Bicycle profile should not extend beyond the outside profile of the tow vehicle.
