PETITION FOR STATE OFFICER RECALL

TO THE HONORABLE SECRETARY OF STATE OF CALIFORNIA,

Pursuant to the California Constitution and California election laws, we the undersigned registered and qualified electors of the County of _____, California, respectfully state that we seek the recall and removal of Gavin Newsom, holding the state office of Governor, in California.

We demand an election of a successor to that office.

The following Notice of Intent to Circulate Petition to Recall Governor Gavin Newsom was served on February 13, 2025 to Governor Gavin Newsom:

TO THE HONORABLE GAVIN NEWSOM: Pursuant to California Elections Code section 11020, the undersigned registered qualified voters of the State of California, hereby give notice, we are the proponents of a recall petition and we intend to seek your recall and removal from the office of Governor in the State of California and to demand election of a successor in that office.

The grounds for this recall are as Follows: Gavin Newsom's tenure has been marked by a series of catastrophic failures that directly impact our daily lives. His gross mismanagement during the Los Angeles County fires, with inadequate resources and delayed responses, left communities devastated. Under his watch, we've seen an unbearable rise in the cost of living - from gasoline to electricity to insurance. Crime rates have soared, with policies seemingly more lenient on offenders than on ensuring our safety. Homelessness has become a visible crisis on our streets, reflecting a failure in meaningful action. The drug epidemic rages on, and border issues remain unaddressed, straining our resources further. Despite our high tax contributions, there's little to show for it; our funds are misallocated to political agendas rather than our pressing needs. This recall is our call for leadership that prioritizes Californians' safety, affordability, and well-being over political games. It's time for change.

The printed names of the proponents are as follows: (1) Mel Gibson, (2) Randell R Economy, (3) Thomas E. Montgomery III, (4) Don Genhart, (5) Ricardo Ramos, (6) Sarah Nagle, (7) John Wilkinson, (8) Susan Miller, (9) Lindsey Stetson, (10) William S Miller.

The answer of the officer sought to be recalled is as follows:

The same MAGA extremists are back with another wasteful partisan recall against Governor Gavin Newsom. This time they've sunk to a new low — exploiting the victims of the LA fires for political gain and distracting us all from the urgent work of recovery and rebuilding. Here's the worst part: Their partisan recall will waste 200 million taxpayer dollars desperately needed for emergency preparedness and response. Governor Newsom has made it clear that he won't play partisan politics with disasters—his focus is on saving lives and helping families recover. And here's the real story. No governor in history has made greater investments in fire preparedness. Newsom doubled the number of state firefighters in the field and literally built the airforce of fire-fighting planes and helicopters that put out the LA fires and saved entire neighborhoods. At the same time, Newsom has put California at the forefront in addressing climate change—the root cause of many of the extreme weather events threatening the state and the world. Governor Newsom will continue to put politics aside to protect California and deliver for people. Reject this wasteful partisan recall. /s/ Governor Gavin Newsom, 1021 O Street, Suite 9000, Sacramento, CA 95814

Each of the undersigned states for himself/herself that he or she is a registered and qualified elector of the County of _____, California.
