

# Susquehannock Trail Club

## Circuit Hiker Award

### AWARD REQUIREMENTS

1. Each applicant must hike the entire 84-mile Susquehannock Trail System in one or many trips, in either direction. All sections hiked need not be in the same direction, nor geographically consecutive. There is no time limit.
2. Each individual should sign every trail book encountered along the STS.
3. Each applicant must maintain a log of the trip in considerable detail, preferably with accompanying photographs.
  - a. Groups hiking together may keep a combined log, but each member of the group must sign the log.
  - b. If the group covers only part of the circuit, each member of the group should acquire a copy of the group log. Each copy must bear the names of all the members of the group. The individual applicant must then submit a copy of the group log, together with other logs for other parts of the circuit hike, when applying for the award.
4. Each applicant must submit his/her log(s) of the circuit hike to the Susquehannock Trail Club Circuit Hiker Award Committee. A group who has hiked the entire distance together may submit a combined log to the committee, but each member of the group must sign the log.
5. The Circuit Hiker Award Committee will review the log(s). if the committee is satisfied that the applicant has hiked the entire Susquehannock Trail System, the committee will certify the applicant as "Susquehannock Trail System Circuit Hiker No. \_\_\_\_\_."
6. These identification numbers will be awarded in the order in which they are certified by the committee.
7. Relocation of any portion of the Susquehannock Trail System after an applicant has hiked through that portion, shall not disqualify the application.
8. The Susquehannock Trail Club Circuit Hiker Award Committee may require an applicant to appear before the committee to testify about the hike.
9. The Susquehannock Trail Club Circuit Hiker Award Committee may, at its discretion, modify the log requirements for Circuit Hiker award applicants who completed the hiking requirements prior to January 1, 1977.
