HIKE REPORT:

A group of 9 hikers led by Janet Smith hiked the STS between Thompson Rd. and Lyman Rd. about 3.6 miles, on Thursday 8/7. It was perfect weather and an enjoyable hike.

Possible ladies overnight hike in September - limit to 4-5 women to Wild Boy Shelter ending at Williams farm.

3rd Saturday of October there will be a pontoon boat ride and tour at Steven's Dam, sign up now if you want to go - limit of 18.

John Z. shuttled Joe Thompson along with his son and 7 yr old grandson to the Hammersley trail.

OLD BUSINESS:

Discussion about keeping a paper newsletter was had again. Brent Bryant has been contacted about possibly being our new newsletter editor or finding a student in his computer classes who could put it together. John Z. suggested doing a monthly podcast to reach younger people for the club.

NEW BUSINESS:

Terry Holtzapple (Larry's brother) would like someone to hike the trail with him - he needs someone's eyes due to being visually impaired. He has hiked the trail before. Terry Holtzapple can be reached at 814-435-7859 or holtzappleelva@gmail.com.

John Z. brought up the fact that many of the members miss the camporee - as a social event not a working event and it would be nice if we could bring it back next year. Maybe put something in the fall newsletter to get a rough estimate of who would be interested in camping.

John Z. also brought up the fact that while the Lumber Museum is a nice place to meet - it would be nice to have meetings at other locations sometimes - with larger pavilions when the weather is nice. The Lumber Museum is great for winter meetings. Other suggested locations included: Lyman Run, Saulter Preserve, Patterson, and Ole Bull. Wayne suggests that one of our next meetings be at Ole Bull - either September or October.

It was suggested by Bill B. that we think about buying another mower for the club. Wanda suggested buying a trailer to go with the new mower if it is decided to purchase one.

Meeting adjourned at 1:58 pm.

The next meeting will be held at the Pennsylvania Lumber Museum at 12:00 pm on September 13, 2025.
