2025 Reunion Social

~Jill Steele Pape~ Alumni Board Secretary/Treasurer

Amanda Peet Astley — Class of 2000

The 2025 Alumni Reunion Social was held Saturday, June 21st at the Veterans Pavilion on the Mayville Museum grounds. Approximately 90 people attended and enjoyed an overabundance of delicious food as well as great conversations.

Thirty-two Alumni from the Class of 1975 were there in full force after having their own class reunion the night before. Adorned with their own special name tags, it was obvious that their class was all about fun and friendship. The 1975 graduates each received a Golden Diploma in honor of their 50th year after high school. Amanda (Peet) Astley represented her Class of 2000 and received her “Wildcat Pin”.

Special diplomas were awarded to Mildred (Woern) Fox for her 78th year, and she noted that she has only missed three Alumni gatherings since her graduation. Her husband Richard (Dick) Fox received his 80th year Diploma - yes, he graduated in 1945!

Bradley Wren — Class of 2025

The 1975 Class President, John Jordan welcomed the newest members of the MHS Alumni, the Class of 2025. John suggested that the newest alumni take all that they’ve learned and go out and make their chosen community a better place! Bradey Wren, a 2025 Class representative accepted that welcome and shared how their class had so much fun together. They were all friends and got along with each other so well. He highlighted their Senior Sunrise breakfast on the first day of school. Bradey shared about the fun they had going golfing and having a picnic together on their Senior Skip Day and their silliness with the traditional Senior prank where they made their presence known by decorating the school with balloons and confetti.

John Jordan then spoke about his friend and classmate, Marty Crane, the 1975 winner of the Duncan Memorial. He then presented the Alumni Scholarship and the Duncan Memorial Award certificate to this year’s recipient, Joel Enos. Joel was 2025 class Salutatorian, treasurer for NHS and Student Council, a band member, and was very active in sports: Cross Country, Basketball, Baseball, and

Track. He received numerous accolades for his skills, leadership, and character. He has accepted an apprenticeship with Kalitta Air in Oscoda to learn the aircraft mechanics' trade. We are so impressed with your accomplishments, Joel and wish you immense success in your future!

At their separate reunion, the Class of 1975 reminisced about their high school days and decided to step up Big Time and give back to their alma mater. A collection was taken and \$1,736 was presented to our Alumni Association. They designated the amount to three separate funds: \$500 for Cash for Class, \$636 for our School Supply Closet fund, and \$600 for a new category to support the annual 8th grade trip to Michigan's Capitol. Presented by John Jordan, he challenged other classes from Mayville to step up and support that trip as well. As class reunions are held, he encourages each to find a way to give back to their hometown school. We greatly THANK YOU, class of 1975!

Tim Wingert, Class of 1980, shared the history of the Mayville High School Athletic Hall of Fame and announced for the first time the teams and individuals who will be inducted into the Hall of Fame on October 11, 2025, with A Meet and Greet at 6:00 pm followed by the ceremony at 7:00 pm in the High School Auditorium. Names and photos of inductees can be found on page 11.

Jill (Steele) Pape from the Class of 1983 recognized the 42 current Mayville School employees who are Mayville graduates. They include 4 School Board members, 9 Teachers, 2 Secretaries, 2 Transportation, 14 Coaches, 9 Para pros, 2 Maintenance, 2 Custodians, 2 Food Service workers, our Health Resource Advocate and Special Education Director. Mayville strives to support their own graduates, and this year it was noted that approximately half of all employees are Mayville Alumni. Once a Wildcat, Always a Wildcat is a frequently heard expression!

John Jordan- '75 and Joel Enos—2025

Jill Steele Pape—Class of 1983

Jill then explained our Mission statement and a unanimous vote was taken to amend our By-Laws to update our Alumni Association's structure to become a Board of Directors instead of having specific officers. Jill Pape will remain as Secretary-Treasurer, and all committee members will work together to make decisions. Any alumni are encouraged to reach out and join our team. Shelly (Wallace) Henrikson, Class of 1981, thanked everyone for attending, and the afternoon culminated with standing and joining in the singing our school song, "On to Mayville."

A wonderful time was experienced, and next year's gathering will be held on Saturday, June 13th in the same location.

*The only way to make sense out of change is to plunge into it, move with it and join the dance.”
-Alan Watts*

In 2025 Mayville Alumni marked its 138th anniversary. In those years from 1887 until now, many things have changed. What three Mayville graduates set in motion with their desire to reunite for a reunion, continues today. However, in the past decades change has invaded and taken hold.

Change can be challenging, but it is often a necessary step for the survival and advancement of an organization. While not everyone agrees that change is a good thing, accepting it with a positive attitude can help with adapting to new circumstances. Change is a normal part of our lives, but for a vast majority of people it is uncomfortable and may feel like a loss of control. Change hurts and it can make people insecure, confused and angry. How many times have we thought that if things only stayed the same it would make life easier?

The Alumni Association has had to make a lot of changes and adjustments over the years and one of the biggest changes has been with the Alumni Banquet. Up until the summer of 2020, there had always been a sit-down dinner held for Alumni. Covid came along and things changed drastically. It didn't end in 2020 but also led to the cancellation of the Alumni Banquet in 2021.

In 2022 the overwhelming cost of a cater, plus the rental of tables, chairs, table coverings, and the fee paid the Lions Club for help and the school janitor for cleaning, added up to what the Alumni Association felt was just too much. The Banquet had always been priced per person, with the Alumni Association paying for whatever was not covered by the ticket price. Contrary to popular belief the Alumni Association does not recognize the Alumni Banquet as their sole purpose of existence, and while numerous donations have been made to the Alumni Association, they have been designated by the giver for something other than a banquet dinner, or for the General Fund, which is used as needed.

2025 Changes

On June 3, 1986, the Mayville High School Alumni Association was incorporated and drew up their by-laws. These are what the officers chose as the mission of the Alumni Association:

1) To promote education through an active association of Alumni of Mayville Community Schools.

2) To create and maintain a channel of communication through a newsletter with Mayville High School Alumni for class reunions, mailings and where otherwise needed.

3) To maintain a scholarship fund from alumni donations to provide a scholarship to a graduating senior.

4) It will assist all members in sharing a rich heritage of history and will continue to build and emphasize that history. It will provide an opportunity for communication between alumni, participation in fundraising events and social interactions.

For the past year the Alumni Association has functioned without a President, with the Vice-President filling in as needed. This has brought about another need for “change” to the Alumni Association. The existing Board members have agreed that the time has come for the Board to move away from elected officers and transition to a Board of Directors. This change will also include scaling back the Mission Statement and the By-Laws.

It should be noted that that the mission of the Alumni Association has not changed – the number one goal remains – “To promote education through an active association of Alumni of Mayville Community Schools.” This is what Cash for Class; the Supply Closet Fund and the Scholarship Award do. Each one of these programs is helping to “promote education”.

These proposed changes were presented at the June 21, 2025, Reunion Social and passed by unanimous vote by the attending Alumni. Copies of the revised By-Laws are available on the Alumni Association website or by email, for those who would like a copy.
