

First, let me "Thank you" for your interest in Lafayette Area Gymnastics Club. Officially our club opened on June 26, 2006. Our coaches have been coaching gymnastics for several years and look forward to teaching your child about the sport most dear to them. Currently I am entering my 22<sup>nd</sup> year as Lafayette Jefferson's Varsity Gymnastics Coach. I am very excited about our club and our middle school and high school gymnastics teams. I look forward to meeting all of you and having the opportunity to work with your children. The brochure offers one session. At this time we are taking registrations for our Summer Session.
