

DOBSON GREENS HOA
Board of Director's Meeting
Homeowner's Comments

If you wish to address the Board to discuss an issue, give your point of view, or another matter, please fill out this request and give it to the Board Secretary prior to the meeting. These will be introduced during the HOMEOWNER'S Forum period on the agenda.

1. Please restrict your comments to no more than **3 minutes**. You are encouraged to submit supporting printed information if available.
2. Because the Board is charged with the duty of acting responsibility, your issue may require more investigation. This comment period is for information only.
3. The Board does not serve a mediation function during its regular meeting. Such issues will be tabled for future action, if the Board feels is appropriate.

Thank you,
Dobson Greens HOA Board of Directors
