APPLICATION FOR ARCHITECTURAL REVIEW

DATE: _____

The Architectural Control within Dobson Greens Homeowners Association is established by the Declaration, Covenants and Conditions recorded against the deed of each residential unit. Enforceable in a court of law, it is a legally binding document which sets guidelines regarding the alteration, additions, improvements and use of common area and Units. Through this document such authority has been granted to the Board of Directors and its appointed Architectural Committee. The architectural rules are intended to maintain the property values and standards of Dobson Greens. All individuals, in the purchase or ownership of a Unit are subject to Architectural control and should read, review and be fully acquainted with the CC&Rs and CP&Ps of Dobson Greens.
