2. Submission of Property to the Act. (a) The Declarant does hereby submit and subject the parcel and the Property to the provisions of the Horizontal Property Act of the State of Tennessee.

3. Site Plan. The Site Plan sets forth the numbers and location of each Unit as required by the Act.

4. Units. The legal description of each Unit shall consist of the identifying number of each Unit as shown on the Site Plan. Every deed, lease, mortgage, deed of trust, or other instrument shall legally describe a Unit by its identifying number as shown on the Site Plan and every such description shall be deemed good and sufficient for all purposes, as provided in the Act. Except as provided by the Act, no Unit Owner shall, by deed, Site Plan, court decree or otherwise, subdivide or in any other manner cause his Unit to be separated into any tracts or parcels different from the whole Unit as shown on the Site Plan.

5. (a) Association of Unit Owners and Administration and Operation of the Property. There has been formed an Association having the name Hill Center Greenwood Townhomes Association, a Tennessee not-for-profit corporation, which Association shall be the governing body for all of the Unit Owners, for the maintenance, repair, replacement, administration and operation of the Property, as provided in the Act, this Declaration and the By-Laws. The By-Laws for the Association shall be the By-Laws attached to this Declaration as Exhibit "C" and made a part thereof. The Board of Directors of the Association shall be elected and shall serve in accordance with the provisions of the By-Laws. The fiscal year of the Association shall be determined by the Board, and may be changed from time to time, as the Board deems advisable. The Association shall not be deemed to be conducting a business of any kind. All activities undertaken by the Association shall be for the sole benefit of the Unit Owners, and all of Unit Owners in accordance with the provision of the Declaration and By-Laws. Each Unit Owner shall be a member of the Association so long as he is a Unit Owner. A Unit Owner's membership shall automatically terminate when he ceases to be a Unit Owner. Upon the conveyance or transfer of a Unit Owner's ownership interest to a new Unit Owner, the new Unit Owner shall simultaneously succeed to the former Unit Owner's membership in the Association.

(b) Management of Property. The Board shall have the authority to engage the services of an agent (herein sometimes referred to as the Managing Agent") to maintain, repair, replace, administer and operate the Property, or any part thereof, to the extent deemed advisable by the Board, subject to the provisions of Subparagraph (d) below. The cost of such services shall be a common expense, as defined in Paragraph 9 below.

(c) Use by Declarant. During the period of sale by the Declarant of any Units, the Declarant, and said Declarant's agents, employees, contractors and subcontractors, and their respective agents and employees, shall be entitled to access and ingress to and egress from the Buildings and Property as may be required for purposes of said sale of Units. While the Declarant owns any of the Units and until each Unit is sold by or it is occupied by the Purchaser, the Declarant and its employees may use and show one or more of such unsold or unoccupied Units as a model Unit or Units and may use one or more of such unsold or unoccupied Units as a sales office, and may place signs in connection therewith.

(d) Non-Liability of the Directors, Board, Officers, and Declarant. Neither the directors and officers of the Association nor the Declarant shall be personally liable to the Unit Owners for any mistake of judgment or for any other acts or omissions of any nature whatsoever as such directors, officers, or Declarant except for any acts or omissions found by a court to constitute gross negligence or fraud. The Unit Owners shall indemnify and hold harmless each of the directors, officers, or Declarant and their respective heirs, executors, administrators, successors and assigns in accordance with the provisions of the By-Laws.

6. Board's Determination Binding. In the event of any dispute or disagreement between any Unit Owners relating to the Property, or any questions of interpretation or application of the provisions of this Declaration or By-Laws, the determination thereof by the Board shall be final and binding on each and all such Unit Owners.

7. Ownership of the Common Elements. Each Unit Owner shall be entitled to an equal percentage of ownership in the Association and Common Elements allocated to the respective Unit based on the Ratio of the total number of Units to one Unit. The

percentages of ownership interest shall remain constant unless hereafter changed by recorded amendment to this Declaration. The ownership of each Unit shall not be conveyed separate from the percentage of ownership in the Association and Common Elements appurtenant to said Unit. The undivided percentage of ownership in the interest appurtenant to any Unit shall be deemed conveyed or encumbered with that Unit, even though the legal description in the instrument conveying or encumbered with that Unit, or encumbering said Unit may refer only to the fee title to that Unit.

8. Use of the Common Elements. Each Unit Owner shall have the right to use the Common Elements (except the Limited Common Elements and portions of the Property subject to leases made by or assigned to the Board) in common with all other Unit Owners, as may be required for the purposes of access, ingress to, egress from, use occupancy and enjoyment of the respective Unit owned by such Unit Owner. Such rights to use the Common Elements shall extend not only to each Unit Owner, but also to his agents, servants, tenants, family members, customers, invitees and licensees. However, each Unit Owner shall have the right to the exclusive use and possession of the Limited Common Elements contiguous to and serving such Unit alone or with adjoining Units. Such rights to use the Common Elements, including the Limited Common Elements, shall be subject to and governed by the provisions of the Act, Declaration, By-Laws, and rules and regulations which may from time to time be established by the Association. In addition, the Association shall have the authority to lease, grant concessions or grant easements with respect to parts of the Common Elements, subject to the provisions of this Declaration and By-Laws. All income derived by the Association from leases, concessions or other sources shall be held and used for the benefit of the members of the Association, pursuant to such rules, resolutions and regulations as the Board may adopt or prescribe.

Parking spaces within the Common Elements may be allocated and reallocated from time to time by the Board. Unit Owners shall park within the garage of their Unit. The Board shall prescribe rules and regulations for the use of parking spaces within the common element addressing the need for service vehicles, handicap and guest parking.

9. (a) "Common Expenses." Each Unit Owner shall pay his proportionate share of the expenses of the administration and operation of the Common Elements and of any other expenses incurred in conformance with this Declaration and the By-Laws (which expenses are herein sometimes referred to as "common expenses"), including, but not limited to, the maintenance and repair thereof and any and all replacements and additions thereto. Such proportionate share of the common expenses for each Unit Owner shall be in accordance with his percentage of ownership in the Common Elements. Assessments for the payment of common expenses, including any prepayment thereof required by contract for sale of a Unit, shall be in such amounts and at such times as determined in the manner provided in the Declaration and By-Laws. No such Owner shall be exempt from payment of his proportionate share of the common expenses by waiver or nonuse or enjoyment of the Common or Limited Common Elements or by abandonment of his Unit. If any Unit Owner shall fail or refuse to make any such payment of assessments for common expenses when due, the amount thereof together with any reasonable late charge established by the Board, and together with interest thereon at the rate of ten percent (10) per annum, or such greater percentage as may then be permitted under the law of the State of Tennessee, after said assessments become due and payable shall constitute a continuing lien on the Unit against which the assessment is made, as provided in the Act. Each Unit Owner shall be personally liable for his portion of each assessment coming due while he is the owner of a Unit.

There is a shared private access easement appurtenant to the parcel on Lot 1 as shown on the site plan. The Declaration of Easement and Restrictions of record in Instrument No. 20191115-0118062 which establishes the access easement also provide for the repairs and maintenance. All costs, fees and assessments resulting from the Townhomes' use of the access shall be a common expense. Provided however, any Owners who intentionally or negligently damage the access shall be solely liable for such damages in accordance with the same terms and provisions provided in paragraph 13 (b).

(b) "Lien of Assessment." In order to secure payment of assessments, both monthly or annual and special, as the same become due, there shall arise a continuing Lien and charge against each Unit, the amount of which shall include interest at the maximum effective rate allowed by law, costs, and reasonable Attorney's fees to the extent permissible by law. Each such assessment, together with such interest, costs,

and reasonable Attorney's fees, shall also be the obligation of the person who was the Unit Owner of the Unit at the time the assessment became due; provided that this personal obligation shall not pass to successors in title unless expressly assumed by them. The Lien provided for herein, however, shall be subordinate to the Lien of any first Deed of Trust (sometimes hereinafter called "mortgage") on any Unit. The sale or transfer of any Unit shall not affect any Assessment Lien. The sale or transfer of any Unit that is subject to any first mortgage, pursuant to a foreclosure thereof or under power or any proceedings in lieu of foreclosure thereof, shall extinguish the Lien of such assessment, but not the personal obligation of any former Title Holder, as to payments that become due prior to such sale or transfer and subsequent to the recordation of the first mortgage that has been foreclosed, but the Association shall have a Lien upon the proceeds from the foreclosure or of sale junior only to the Lien of the foreclosed first mortgage. No sale or transfer shall relieve such Unit from liability for any assessment thereafter becoming due or from the Lien thereof.

(c) "Levy of Assessments." The Board shall fix the commencement date for monthly or annual assessments on the first day of the month following the conveyance of an improved Unit to a Unit Owner and shall collect for the prorated assessment between the commencement date and the calendar year next following. The Board may also fix an initial capital assessment for each unit to pay upon closing in order to provide the initial capitalization required for expenditures. Thereafter, monthly or annual assessments shall be levied by the Board, by action on or before December 1 of each year for the ensuing year. The Board, in its discretion, may provide for the periodic payment of each assessment at some interval other than monthly. Special assessments may be levied in any year for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Elements or such other portion of the Property for which the Association is obligated to maintain and repair, if any, including fixtures and personal property related thereto; provided that the same are first approved by the Board of Directors of the Association, recommended to the membership, and subsequently approved by affirmative vote of members entitled to cast at least two-thirds (2/3) of the votes at a meeting of the Members duly held for that purpose. Written notice of the monthly, annual or special assessment shall be mailed by U. S. first class mail to every Unit Owner subject hereto. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Unit have been paid and the amount of any delinquencies. The Association shall not be required to obtain a request for such certificate signed by the Unit Owner, but may deliver such certificate to any Party who in the Association's judgment has a legitimate reason for requesting the same.

(d) "Maximum Annual Assessment." From and after one (1) year from the date initial assessments commence, the maximum annual assessment may be increased each year by an amount up to, but not in excess of twenty-five (25) percent of the annual assessment for the previous year without a vote of the membership. In the event the Board of Directors determines that an increase in excess of such amount is required, the amount of assessment exceeding such limitation shall be automatically effective thirty (30) days after the Association sends written notice to each Unit Owner of the amount and necessity of such increased assessment unless the Association receives written objection to such increased assessment of Members entitled to cast a more than fifty (50) percent of the percentage values of the votes eligible to be cast by members of the Association within such thirty (30) day period or a special meeting of Members is called within such thirty (30) day period and the excess assessment is disapproved by a like vote of the members at such meeting.

(e) "Rate of Assessment." Units in the development shall commence paying assessments upon the transfer of the improved unit to an Owner. Units owned by the Declarant which are held for sale or used as a model shall not bear assessments until transferred to an owner.

(f) "Effect of Non-Payment of Assessments and Remedies of the Association." In addition to any other remedy available to the Association under this Declaration or applicable law, any assessment not paid within thirty (30) days after the due date shall be subject to a monthly late fee equal to the greater of ten dollars (\$10.00) or ten (10) percent of the outstanding balance owed. Unpaid assessments shall bear interest from the due date at the maximum rate allowed by law. The Association, its agent or representative, may bring an action at law against the Unit owner personally

obligated to pay the same or foreclose the Lien against the Unit to which the assessment relates, and interest, costs, and reasonable Attorney's fees for such action or foreclosure shall be added to the amount of such assessment to the extent allowed by law. No Unit Owner may avoid liability for the assessments provided for herein by non-use of the Common Elements or abandonment of his Unit.

(g) "Mortgage and Deed of Trust Protection." The lien for assessment payable by a Unit Owner shall be subordinate to the lien of a recorded first Mortgage or Deed of Trust on the interest of such Unit Owner, except for the amount of the proportionate share of common expenses which become due and payable from and after the date on which the Mortgagee or Beneficiary thereunder either takes possession of the Unit encumbered thereby, accepts a conveyance of any interest therein (other than a security) or forecloses its Mortgage or Deed of Trust.

10. Mortgages and Deed of Trust. Each Unit Owner shall have the right, subject to the provisions herein, to make separate mortgages and deeds of trust for his respective Unit together with his respective ownership interest in the Common Elements. No Unit Owner shall have the right or authority to make or create or cause to be made or created from the date hereof, any mortgage, deed of trust or other lien on or affecting the property or any part thereof, except only to the extent of his own Unit and the respective percentage interest in the Common Elements appurtenant thereto.

11. Separate Real Estate Taxes. Real estate taxes shall be separately taxed to each Unit Owner for his Unit and his corresponding percentage of ownership in the Common Elements, as provided in the Act. In the event that such taxes for any year are not separately taxed to each Unit Owner, but rather are taxed in the Property as a whole, then each Unit Owner shall pay his proportionate share thereof in accordance with his respective percentage of ownership interest in the Common Elements, and in said event, such taxes shall be a common expense.

12. Insurance. The Board shall have the authority to and shall obtain insurance for the Property, buildings and improvements exclusive of the additions within, improvements to and decorating of the Units or limited Common Elements by the Unit Owners, against loss or damage by fire, vandalism, malicious mischief and such other hazards as are covered under standard extended coverage provisions, for the full insurable replacement cost of the Common Elements and the Units, against such hazards and for such amounts as the Board may deem advisable. Insurable replacement cost shall be deemed the cost of restoring the Common Elements, Units, or any part thereof, to substantially the same condition in which they existed prior to damage or destruction. Such insurance coverage shall be written in the name of, and the proceeds thereof shall be payable to, the Board, as the trustee for each of the Unit Owners in direct ratio to said Unit Owner's respective percentage of ownership in the Common Elements, as set forth in this Declaration, and for the holders of mortgages in his Unit, if any. The policy of insurance shall also contain, if possible, (a) a waiver of subrogation rights by the insurer against individual Unit Owners, (b) an inflation guard endorsement, (c) a building ordinance endorsement and (d) (i) a guaranteed replacement cost endorsement or (ii) a replacement cost endorsement and, where available as agreed amount endorsement. The premium of such insurance and funds to cover any deductible amount shall be a common expense. However, at the option of the Board, and upon written notice to all Unit Owners, premiums for such insurance may be billed to each Unit Owner for his Unit and his corresponding percentage of ownership in the Common Elements.

Loss to improvements under construction shall be the responsibility of the Declarant, builder and owner as their interest may appear regardless of whether the damage occurred to a common area or private element. It being specifically intended; the association and unit owners are not to be responsible for losses within new phases prior to completion and insurance of improvements. The Declarant/builder as their interest may appear, shall be responsible to coordinate and provide for insurance coverage on new construction.

In the event of damage to or destruction of any Buildings or Common Elements as a result of fire or other casualty covered by insurance proceeds unless more than 2/3 of all Buildings require reconstruction, the Board shall, in its discretion, with prior written Consent of a majority of the Mortgagees of the Units affected, determine and without intervention of any Unit Owner arrange for the prompt repair and restoration of the damaged portions of all Units, Buildings and Common Elements substantially in

accordance with the original plans and specifications therefore. Where the insurance indemnity is insufficient to cover the cost of such repairs and restoration, the deficiency shall be paid by all Unit Owners directly affected by the damage in proportion to each affected Unit's square footage in proportion to the total square footage of the affected Units. The Board shall not be responsible for the repair, replacement or restoration of any wall, ceiling or floor decorations or covering, or any other part of a Unit for which the responsibility of maintenance and repair is that of a Unit Owner, or for furniture, furnishings, fixtures, appliances or equipment installed in the Unit by a Unit Owner or Occupant or any other personal property located on the Property owned by a Unit Owner or Occupant unless insurance therefore is specifically provided for in the insurance policy obtained by the Board.

Reconstruction shall not be compulsory where the whole or more than two-thirds (2/3) of all the Buildings and Common Elements is destroyed by fire or other casualty, as determined by the Board, in such case and unless agreed upon by the Unit Owners and their Mortgagees, the insurance proceeds shall be delivered to the Unit Owners or their Mortgagees, as their interests may appear, in proportion to the respective interest of the affected Units, as computed by dividing the square footage of each Unit by the total square footage of the affected Units together; and the Board, as soon as reasonably possible and as agent for the Unit Owners, shall sell the Property, in its then condition, free from the effect of this Declaration, which shall terminate upon such sale, on terms satisfactory to the Board, and the net proceeds of such sale, and the net proceeds of all insurance policies shall thereupon be distributed to the Unit Owners or their Mortgagee, as their interest appear, in proportion to the percentage interest in the affected Unit and in the Common Elements. If the Board fails to consummate a sale pursuant to this paragraph within twenty-four (24) months after the destruction or damage occurs, then the Managing Agent, or the Board shall, or if they do not, any Unit Owner or Mortgagee may, record a sworn declaration setting forth such decision and reciting that under the provision of this Declaration the prohibition against judicial partition provided for in this Declaration has terminated and that judicial partition of the Property may be obtained pursuant to the laws of the State of Tennessee. Upon final judgment of a court of competent jurisdiction decreeing such partition, this Declaration shall terminate.

The Board shall also have the authority to and shall obtain comprehensive public liability insurance, in such amounts as it deems desirable, and workman's compensation insurance and other liability insurance as it deems desirable, insuring each Unit Owner, Mortgagee of record, if any, the Association, its officers, directors, and employees, the Declarant, and the Managing Agent if any from liability in connection with the Common Elements. The premiums and deductibles for such insurance shall be a common expense. However, at the option of the Board, and upon written notice to all Unit owners, premiums for such insurance shall be separately billed to each Unit Owner for his corresponding percentage of ownership in the Common Elements. Board shall retain in safe keeping such liability policy for six (6) years after the expiration date of the policy.

If the Board shall elect to manage the Association, the Board shall also have the authority to and shall obtain Fidelity coverage covering officers, directors, and employees who handle or are responsible for handling Association funds. Such Bonds shall be in such amounts as the Board may determine, but in no event less than 150 percent of the monthly operating expenses of the Association, and shall contain waivers of any defense based upon the exclusion of persons serving without compensation.

The Board shall also have authority to and may obtain such insurance as it deems desirable, in such amount, from such sources and in such forms as it deems desirable, insuring the Property and each member of the Board and officers of the Association, and each member of any committee pursuant to the By-Laws of the Association, from liability arising from the fact that said person is or was a director or officer of the Association, or member of such a committee. The premiums and deductibles for such insurance shall be a common expense.

Each Unit Owner shall be responsible for obtaining his own insurance on the contents of his own Unit and the Limited Common elements serving his Units, as well as his additions and improvements thereto and those parts of the Unit for which the responsibility of maintenance and repair is that of the Unit Owner, and for decorating, furnishing, and personal property therein, and personal property stored elsewhere on the Property, if any. In addition, in the event a Unit Owner desires to insure against his personal liability and loss or damage by fire or other hazards above and beyond the extent

that his liability, loss or damage is covered by the liability insurance and insurance against loss or damage by fire and other such hazards obtained by the Board for all of the Unit Owners as part of the common expenses, as above provided, said Unit Owner may, at his option and expense, obtain additional insurance.

13. Maintenance, Repairs and Replacements. (a) Each Unit Owner, at his own expense, shall furnish and be responsible for all maintenance of, repairs to and replacements within his own unit. Except as hereinafter set forth, the cost of maintenance of, repairs to, and replacements of, repairs to, and replacements within the Common Elements shall be part of the common expenses, subject to the By-Laws, and rules and regulations of the Association. The expenses for the maintenance, repair or replacement of a Unit's water heater, furnace, air conditioner, heating and air-conditioning ducts, and plumbing and electrical wiring serving only such Unit, windows, screens and doors, including garage doors, shall be borne by the owner to the Unit to which such Limited Common Elements are appurtenant; and, at the discretion of the Board, maintenance of, repairs to, and replacements within the other Unit Owners benefited thereby. Further, at the discretion of the Board, the Board may direct Unit Owners who stand to be benefited by such maintenance of, repairs to, and replacement within the Limited Common Elements to arrange for such maintenance of, repairs to and replacement in the name and for the account of such benefited Unit Owners, pay the cost thereof with their own funds, and procure and deliver to the Board such liens, waivers and contractor's and subcontractor's sworn statement as may be required to protect the Property from all mechanics' or material men's lien claims that may arise therefrom; provided, however, that if, in order to maintain, repair, or replace the electrical wiring, plumbing, or other utilities of a Unit, it shall be the responsibility of the Association to provide such maintenance, repair, or replacement, but the cost of such maintenance, repair, or replacement may be assessed to the Unit Owner benefited thereby, as hereinabove provided.

(b) Notwithstanding any provisions of this Declaration to the contrary, if the need for maintenance or repair that would otherwise result in a common expense that was the obligation of the Association is caused by the willful or negligent conduct or act of a Unit Owner, his household pet, family, guest, invitees, or other Person using or occupying said Unit Owner's Unit with the express or implied permission, the cost of such repair or maintenance shall be assessed against such Unit Owner and shall be due and payable thirty (30) days from the date of notice thereof, such assessment to be collected and enforced as provided in this Declaration for the collection of assessments. Such assessment shall not require approval of any of the Members; provided, however, that a Unit Owner against whose Unit such an assessment is levied shall be entitled to ten (10) days notice, a hearing before the Board and a reasonable opportunity to perform the necessary maintenance or repair work prior to being levied with such an assessment.

(c) The authorized representative of the Association, Board or of the Managing Agent with approval of the Board shall be entitled to reasonable access to the individual Units and Limited Common Elements as may be required in connection with the preservation of any individual Unit or Limited Common Elements in the event of an emergency, or in connection with maintenance of, repairs or replacements within the Common Elements, Limited Common Elements or any equipment, facilities or fixtures affecting or serving the other Units, Common Elements or Limited Common Elements or to make any alteration required by any governmental authority. Such employees or agents are further authorized to enter upon any Unit and the Private Elements thereof without notice to the Unit Owner when, in the judgment of the Board, such entrance is necessary to prevent damage to such Unit or surrounding Units by fire, criminal act, natural disaster, or other emergency.

(d) Each wall built as a part of the original construction of a structure upon the Limited Common Elements and is the dividing line between two Units shall constitute a party wall, to the extent not inconsistent with the provisions of this Declaration, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply hereto.

14. Alterations, Additions or Improvements. Except as provided in Paragraph 15 herein, no alterations of any Common Elements, or any additions or improvements thereto, shall be made by any Unit Owner without the prior approval of the Board. The Board may authorize and charge as common expenses alterations, additions, and improvements of the Common Elements as provided in the By-Laws. Any Unit Owner

may make non-structural alterations, additions or improvements within the Unit of the Unit Owner without the prior written approval of the Board, provided that such alterations shall not affect the structural strength of any Building, and provided that such Unit Owner be responsible for any damage to other Units, the Common Elements, the Property, or shall any part thereof, resulting from such alterations, additions, or improvements.

15. Decorating. Each Unit Owner, at his own expense, shall furnish and be responsible for all decoration within his own Unit and Limited Common Elements serving his Unit, as may be required from time to time, including painting, wallpapering, washing, cleaning, paneling, floor covering, draperies, window shades, curtains, lighting, and other furnishings and decorating. Any changes in color or materials in the limited common area that change the unit's appearance must be approved by the Board. Each Unit Owner shall be entitled to the exclusive use of the interior surfaces of the perimeter walls, floors and ceilings of his Unit, and such Unit Owner shall maintain said interior surfaces in good condition at his sole expense, as may be required from time to time. Said maintenance and use of interior surfaces shall be subject to the rules and regulations of the Association, but each Unit owner shall have the right to decorate such interior surfaces from time to time as he may see fit at his sole expense. 17. Remedies. In the event of any violation of the provisions of the Act, Declaration, By-Laws or Rules and Regulations of the Board or Association by any Unit Owner (either by his own conduct or by the conduct of any Occupant thereof, or any invitee therein) the Association, or its successors or assigns, shall have each and the rights and remedies which may be provided for in the Act, Declaration, By-Laws, or said Rules and Regulations, or which may be available at law or in equity, and may prosecute as action or other proceedings against such defaulting Unit Owner and/or others for enforcement of any Lien and the appointment of a receiver for the Unit and ownership interest of such Unit Owner, or for damages or injunction or specific performance, or for judgment for payment of money and collection thereof, of the right to take possession of the Unit and to sell the same as provided hereinafter in this paragraph, or for any combination of remedies, or for any other relief. All expenses of the Board in connection with any such actions or proceedings, including litigation costs and Attorney's fees and other fees and expenses and all damages, liquidated or otherwise, together with interest thereon at the rate of ten (10) percent per annum until paid, shall be charged to and assessed against such defaulting Unit Owner, and shall be added to and deemed part of his respective share of the common expenses, and the Board shall have a Lien for all of the same, as well as for nonpayment of his respective share of the common expense, upon the Unit and ownership interest in the Common Elements of such defaulting Unit Owner and upon all of his additions and improvements thereto and upon all of his personal property in his Unit or located elsewhere on the Property; provided, however, that such Lien shall be subordinate to the Lien of a recorded first mortgage or first Deed of Trust on the Unit, to the extent hereinabove set forth in Paragraph 9 (b) hereof. In the event of any such default by any Unit Owner, the Board and the Managing Agent, if so authorized by the Board, shall have the authority to correct such default, and to do whatsoever may be necessary for such purpose and all expenses in connection therewith shall be charged to and assessed against such defaulting Unit Owner. Any and all such rights and remedies may be exercised at any time and from time to time, cumulatively or otherwise, by the Board. This paragraph shall not be amended, changed, modified or rescinded without the prior consent of all holders of record of first mortgage and first Deed of Trust liens against the Units.

The violation of any restriction or condition or regulation adopted by the board or the breach of any covenant or provision herein contained, shall give the Board the right, in addition to any other rights provided for in the Declaration; (a) to enter (either peaceably or forcibly without liability to such Unit Owner for such entry) upon the Unit, or any portion of the Property upon which or as to which such violation or breach exists, and summarily to abate and remove, at the expense of the defaulting Unit Owner, any structure, thing or condition that may exist thereon contrary to the intent and meaning of the provisions hereof, and the Board, or its employees or agents, shall not thereby be deemed guilty in any manner or trespass; or (b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any breach; or (c) to take possession (either peaceably or forcibly without liability to such Unit Owner for such entry) of such Unit Owner's interest in the Property and to maintain an action for possession of such Unit in the manner provided by law.

If any Unit Owner (either by his own conduct or by the conduct of any other Occupant of his Unit or any invitee therein) shall violate the Act, or any of the Covenants or Restrictions or provisions of this Declaration, the By-Laws, or the Regulations adopted by the Board, and if such default or violation shall continue for ten (10) days after notice to the Unit Owner in writing from the Board, or shall occur repeatedly during any ten (10) day period after such written notice or request to cure violation from the Board, then the Board shall have the power to issue to said defaulting Owner a notice in writing terminating the rights of said defaulting Owner to continue as a Unit Owner and to continue to occupy, use, or control his Unit, and thereupon an action in equity may be filed by the Board against said defaulting Owner for a decree of mandatory injunction against such defaulting Owner or Occupant, or in the alternative, for a decree declaring the termination of said defaulting Owner's right to occupy use or control the Unit owned by him on account of said violation, and ordering that all the right, title and interest of said defaulting Owner in the Property shall be sold (subject to the Lien of any existing first Deed of Trust or mortgage) at a judicial sale upon such notice and terms as the court shall determine, except that the court shall enjoin and restrain the said defaulting Owner from reacquiring his interest at such judicial sale. The proceeds of any such judicial sale shall first be paid to discharge court costs, court reporter charges, reasonable Attorney's fees, and all other expenses of the proceeding and sale, and all such items shall be taxed against said defaulting Owner in said decree. Any balance of proceeds, after satisfaction of such charges and any unpaid assessments hereunder or any Liens, shall be paid to said defaulting Owner. Upon the confirmation of such sale, the Purchaser shall thereupon be entitled to a Deed to the Unit and the Unit Owner's corresponding percentage of ownership in the Common elements, and to immediate possession of the Unit sold and may apply to the court for a writ of assistance for the purpose of acquiring such possession, and it shall be a condition of any such sale, and the decree shall so provide, that the Purchaser shall take the interest in the Unit sold subject to this Declaration.

18. Amendment. Except as to Developer rights and as specifically stated otherwise elsewhere herein, provisions of this Declaration may be changed, modified or rescinded by an instrument in writing, setting forth such change, modification or rescission, approved by Unit Owners owning not less than two-thirds (2/3) of the total Units, provided, however, all lien holders of record, where rights may be affected, have been notified by certified mail of such change, modification or rescission, and an affidavit by the secretary of the Association certifying to such mailing is made a part of such instrument.

However, if the Act, the Declaration or the Bylaws require the consent or agreement of all Unit Owners or of all lien holders for any action specified in the Act or in this Declaration, then any instrument changing, modifying or rescinding any provision of this Declaration with respect to such action shall be approved by all Unit Owners or all lien holders or both as required by the Act or this Declaration. The change, modification or rescission, whether accomplished under the provisions of the preceding section, shall be effective upon recording of such instrument in the office of the Register of Deeds of Davidson County, Tennessee; provided, however, that no provision in this Declaration may be changed, modified or rescinded so as to conflict with the provisions of the Act.
