WHEREAS, the Developer intends to and does hereby submit the above-described parcel of real estate together with all buildings, structures, improvements and other permanent fixtures of whatsoever kind thereon, and all rights and privileges belonging or in any way pertaining thereto (the "Property") to the provisions of the Horizontal Property Act of the State of Tennessee for the express purpose of establishing thereon a horizontal property regime to be known as University House Condominium; and

WHEREAS, the Developer further desires to establish said horizontal property regime for its own benefit and for the mutual benefit of all future owners or occupants of the Property or any part thereof, and intends that all future owners, occupants, mortgagees, and any other persons hereinafter acquiring any interest in the Property, shall hold such interest subject to certain rights, easements and privileges in, over and upon the Property and certain mutually beneficial restrictions and obligations with respect to the proper use, conduct and maintenance thereof, as hereinafter set forth, all of which are declared to be in furtherance of a plan to promote and protect the cooperative aspects of residence on the Property, and are established for the purpose of enhancing the value, desirability and attractiveness of the Property.

(r) "Unit" means an enclosed space consisting of one or more rooms occupying part of a floor or floors in the Building, which enclosed space is not owned in common with the Unit Owners of the other Units. Each Unit is numbered as shown on the Plat, and the boundaries of each Unit shall be and are the unfinished interior surfaces of its perimeter walls, floor and ceilings. A Unit includes both the portion of the Building so described and the air space so encompassed, excepting Common Elements. Any Unit may be jointly or commonly owned by more than one person. It is intended that the term "Unit" as used in this Master Deed shall have the same meaning as the term "Apartment" as used in the Act.

(s) "Unit Owner" means the person or persons whose estates or interests, individually or collectively, aggregate fee simple ownership of a Unit, and of the undivided interest in the Common Elements appurtenant thereto, and shall be deemed the same as a "co-owner" under the Act. Unless specifically provided otherwise herein, the Developer shall be deemed a Unit Owner so long as he is the legal title holder of any Unit.

2. Submission of Property to the Act. The Developer, by recording this Master Deed, does hereby submit and subject the Parcel and the Property to the provisions of the Act and hereby establishes a horizontal property regime as authorized and described in the Act and to be hereafter known as University House Condominium.

3. Plat. The Plat sets forth the numbers, areas, locations, and other data as required by the Act.

4. Units. The legal description of each Unit shall consist of the identifying number or symbol of such Unit as shown on the Plat. Every deed, lease, mortgage, deed of trust or other instrument shall legally describe a Unit by its identifying number or symbol as shown on the Plat, and every such description shall be deemed good and sufficient for all purposes, as provided in the Act. Except as provided by the Act, no Unit Owner shall, by deed, plat, court decree or otherwise, subdivide or in any other manner cause such Owner's Unit to be separated into any tracts or parcels different from the whole Unit as shown on the Plat.

5. (a) Association of Unit Owners and Administration and Operation of the Property. There has been or will be formed an Association having the name University House Condominium Association, a Tennessee non-profit corporation, which Association shall be the governing body for all of the Unit Owners and shall be operated to provide for the maintenance, repair, replacement, administration, operation and care of the Property as provided in the Act, this Master Deed and Bylaws. The Bylaws for the Association shall be the Bylaws attached to this Master Deed as Exhibit "B" and made a part hereof. The Board of Directors of the Association shall be elected and shall serve in accordance with the provisions of the Bylaws. The fiscal year of the Association shall be determined by the Board, and may be changed from time to time as the Board deems advisable. The Association shall not be deemed to be conducting a business of any kind. All activities undertaken by the Association shall be for the use and benefit of Unit Owners in accordance with the provisions of the Master Deed and Bylaws. Each Unit

Owner shall be a member of the Association so long as such Owner is a Unit Owner. A Unit Owner's membership shall automatically terminate when such Owner ceases to be a Unit Owner. Upon the conveyance or transfer of a Unit Owner's ownership interest to a new Unit Owner, the new Unit Owner shall simultaneously succeed to the former Unit Owner's membership in the Association. The aggregate number of votes for all members of the Association shall be divided among the respective Unit Owners with one (1) vote granted to each Unit.

(b) Management of Property. The Board shall have the authority to engage the services of an agent (herein sometimes referred to as the "Managing Agent") to maintain, repair, replace, administer and operate the Property, or any part thereof, to the extent deemed advisable by the Board, subject to the provisions of subparagraph (c) below. The Board shall require that such Managing Agent have fidelity bond coverage on its employees handling Association funds. The cost of such services shall be a common expense, as defined in paragraph 10 below. Any vote of the Board to adopt any form of management of the Property without the services of a professional property management company shall be subject to the prior approval of a majority of all first mortgagees of Units.

(c) Initial Management Contract. The First Board, appointed as provided herein, shall ratify and approve the Management Agreement between the Developer, on behalf of the Association, and a management corporation, to act as Managing Agent for the Property, for a term as approved by said First Board, but not to exceed one (1) year.

(d) Use by Developer. During the period of sale by the Developer of any Units, the Developer, and the Developer's agents, employees, contractors and subcontractors, and their respective agents and employees, shall be entitled to access, ingress to and egress from the Buildings and Property as may be required for purposes of sale of the Units. While the Developer owns any of the Units and until each Unit sold by it is occupied by the purchasers, the Developer and its employees may use and show one or more of such unsold or unoccupied Units as a model Unit or Units, or as a sales office, and may maintain customary signs in connection therewith.

(e) Non-Liability of the Directors, Board, Officers and Developer. Neither the directors, Board, officers of the association, nor the Developer shall be personally liable to the Unit Owners for any mistake of judgment or for any other acts or omissions of any nature whatsoever as such directors, Board, officers, or Developer, except for any acts or omissions found by a court to constitute gross negligence or fraud. The Unit Owners shall indemnify and hold harmless each of the directors, Board, officers, or Developer, and their respective heirs, executors, administrators, successors and assigns in accordance with the Charter of the Association and Bylaws.

(f) Interest of Association in Common Elements. Ownership of the Common Elements is allocated as described in Section 7 hereof. The Association shall have no ownership interest in the Common Elements.

6. Board's Determination Binding. In the event of any dispute or disagreement between any Unit Owners relating to the Property, or any questions of interpretation or

application of the provisions of the Master Deed or Bylaws, the determination thereof by the Board shall be final and binding on each and all such Unit Owners.

7. Ownership of the Common Elements. Each Unit Owner shall be allocated an equal percentage ownership in the Common Elements. The percentages of ownership interests shall remain constant unless hereafter changed by recorded amendment to this Master Deed consented to in writing by the Unit Owners, in accordance with the requirements hereinafter contained. Said ownership interest in the Common Elements shall be an undivided interest, and the Common Elements shall be owned by the Unit Owners as tenants in common in accordance with their respective percentages of ownership. The ownership of each Unit shall not be conveyed separate from the percentage of ownership in the Common Elements corresponding to said Unit. The undivided percentage of ownership in the Common Elements corresponding to any Unit shall be deemed conveyed or encumbered with that Unit, even though the legal description in the instrument conveying or encumbering said Unit may refer only to the fee title to that Unit.

8. Use of the Common Elements. Except as hereinafter set forth, each Unit Owner shall have the right to use the Common Elements (except the Limited Common Elements and portions of the Property subject to leases, consignments or easements made by or assigned to the Board) in common with all other Unit Owners, as may be required for the purposes of access, ingress to, egress from, use, occupancy and enjoyment of the respective Unit owned by such Unit Owner. Such right to use the Common Elements shall extend to each Unit Owner, and such Owner's agents, servants, tenants, family members, customers, invitees and licensees. However, each Unit Owner shall have the right to the exclusive use and possession of the Limited Common Elements contiguous to and serving such Unit alone or with adjoining Units. Such rights to use the Common Elements, including the Limited Common Elements, shall be subject to and governed by the provisions of the Act, Master Deed, Bylaws and any rules and regulations established by the Association. In addition, the Association shall have the authority to lease, grant concessions or grant easements with respect to parts of the Common Elements, subject to the provisions of the Master Deed and Bylaws. All income derived by the Association from leases, concessions or other sources shall be held and used for the benefit of the members of the Association, pursuant to such rules, resolutions or regulations as the Board may adopt or prescribe.

9. Storage Areas and Parking Spaces. Any storage areas on the Property, except those inside the Units and those which are Limited Common Elements, shall be part of the Common Elements and may be allocated with exclusive use thereof assigned by the Developer to the respective Unit Owners, and shall be used by such Unit Owners in such manner and subject to such rules and regulations as the Board may prescribe. Parking spaces within the Parcel shall be used by Unit Owners in such manner and subject to such rules and regulations as the Board may prescribe.

10. (a) Common Expenses. Each Unit Owner shall pay an equal share of the expenses of the administration and operation of the Common Elements and of any other expenses incurred in conformance with the Master Deed and Bylaws (which expenses are herein sometimes referred to as "common expenses"), including, but not limited to, the maintenance and

repair thereof and any and all replacements and additions thereto. Payment of common expenses, including any prepayment thereof required by any contract for a sale of a Unit, shall be in such amounts and at such times as determined in the manner provided in the Bylaws. No Unit Owner shall be exempt from payment of such Owner's proportionate share of the common expenses by waiver or non-use of enjoyment of the Common Elements or Limited Common Elements, or by abandonment of such Owners Unit. If any Unit Owner shall fail or refuse to make any such payment of the common expenses when due, the amount thereof, together with interest thereon at the rate of ten percent (10%) per annum, or the maximum rate allowed by applicable law if less, after said common expenses become due and payable, shall constitute a lien on the interest of such Unit Owner in the Property as provided in the Act. Each assessment for common expenses against a Unit shall be the personal obligation of the Owner of the Unit at the time the assessment is due. A successor in title to a Unit shall not be personally obligated to pay any unpaid assessments for common expenses which have been levied against a Unit unless such successor in title expressly assumes the payment of the same. Provided, however, any lien encumbering a Unit as above described shall not be affected by transfer of a Unit.

The Developer shall not be required to expend from its own funds any sums of money for maintenance, improvements, or any other expenses of the administration of the Common Elements, and no Unit owned by the Developer shall be assessed for common expenses, if such Unit is unoccupied. Notwithstanding the above, all Units shall be assessed full assessments no later than sixty (60) days after the first Unit is conveyed by Developer. This paragraph of Section 10, subsection (a), may not be modified or amended without the unanimous written consent of all Unit Owners.

(b) Enforcement. In the event any Unit Owner fails to maintain such Owner's Unit, or the Limited Common Elements attributable to such Unit, or in the event any Unit Owner fails to pay such Owner's proportionate share of any common expense when such is due, then in any such event the Board may after ten (10) days' notice to the defaulting Unit Owner, perform such maintenance, advance and pay such sums, or do any other reasonable act necessary to cure such default. The Association shall have a lien against the Unit of the defaulting Unit Owner securing payment of the sums expended or advanced, and shall be entitled to enforce such lien by filing suit in a court of competent jurisdiction. In the event the Association is successful in such suit, it shall be entitled to recover reasonable attorney fees and costs incurred in such suit and enforcement of its rights.

(c) Mortgage and Deed of Trust Protection. The lien for common expenses payable by a Unit Owner shall be subordinate to the lien of a recorded first mortgage or deed of trust on the interest of such Unit Owner, except for the amount of the proportionate share of common expenses which become due and payable from and after the date on which the mortgagee or beneficiary thereunder either takes possession of the Unit encumbered thereby, accepts a conveyance of any interest therein (other than as security) or forecloses its mortgage or deed of trust. This subparagraph (c) shall not be amended, changed, modified or rescinded without the prior written consent of all mortgagees and deed of trust beneficiaries of record.

(d) Special Assessments. In addition to the annual assessments for common expenses authorized above, the Association may levy a special assessment for the purpose of

defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of capital improvements upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of Unit Owners.

11. Mortgages and Deeds of Trust. Each Unit Owner shall have the right, subject to the provisions herein, to make separate mortgages and deeds of trust for such Owners respective Unit together with such Owner's respective ownership interest in the Common Elements. No Unit Owner shall have the right or authority to make or create, or cause to be made or created, from the date hereof, any mortgage, deed of trust or other lien on or affecting the Property or any part thereof, except only to the extent of such Owner's Unit and the respective percentage interest in the Common Elements corresponding thereto.

12. Separate Real Estate Taxes. Real estate taxes shall be separately taxed to each Unit Owner for such Owner's Unit and his corresponding percentage of ownership in the Common Elements, as provided in the Act. In the event that such taxes for any year are not separately taxed to each Unit Owner, but rather are taxed on the Property as a whole, then each Unit Owner shall pay such Owner's proportionate share thereof in accordance with such Owner's respective percentage of ownership interest in the Common Elements, and, in said event, such taxes shall be a common expense.

13. Insurance, Damage or Destruction, Reconstruction.

(a) The Board shall have the authority to and shall obtain insurance for the Property and Common Elements, exclusive of the additions within, improvements to and decorating of the Units by the Unit Owners, against loss or damage by fire, vandalism, malicious mischief and such other hazards as are covered under standard extended coverage provisions for the full insurable replacement cost of the Common Elements and the Units, and against such other hazards and for such amounts as the Board may deem advisable. Such insurance shall, if possible, include all or any portion of all Limited Common Elements. Insurable replacement cost shall be deemed to be the cost of restoring the Common Elements, Units or any part thereof to substantially the same condition in which they existed prior to damage or destruction. Such insurance coverage shall be written in the name of, and the proceeds thereof shall be payable to, the Board of the Association, as the trustee for each of the Unit Owners in direct ratio to said Unit Owner's respective percentage of ownership in the Common Elements, as set forth in the Master Deed, and for the holders of mortgages and deeds of trust on his Unit, if any. The policy of insurance should also contain, if possible, a waiver of subrogation rights by the insurer against individual Unit Owners. The premiums for such insurance shall be a common expense. However, at the option of the Board, and upon written notice to all Unit Owners, premiums for such insurance shall be separately billed to each Unit Owner for such Owner's Unit and such Owner's corresponding percentage of ownership in the Common Elements.

(b) In the event of damage to or destruction of the Building or Common Elements as a result of fire or other casualty covered by insurance proceeds (unless more than two-thirds (2/3) of the Building requires reconstruction) the Board shall, in its discretion, determine and, without intervention of any Unit Owner, arrange for the prompt repair and

restoration of the damaged portions of all Units, Building and Common Elements substantially in accordance with the original plans and specifications therefor. Where the insurance indemnity is insufficient to cover the cost of such repairs and restoration, the deficit shall be paid by all Unit Owners directly affected by the damage, in proportion to each Unit's percentage of ownership in the Common Elements. The Board shall not be responsible for the repair, replacement or restoration of any wall, ceiling or floor decorations or covering, or furniture, furnishings, fixtures, appliances or equipment installed in the Unit by a Unit Owner or Occupant unless insurance therefor is specifically provided for in the insurance policy obtained by the Board.

(c) If the whole or more than two-thirds (2/3) of the Building is destroyed or damaged by fire or other casualty, as determined by the Board, and if not less than sixty-seven percent (67%) of the Unit Owners, together with Eligible Mortgagees representing at least fifty-one percent (51%) of the votes of Unit Owners subject to deeds of trust or mortgages held by Eligible Mortgagees, determine that reconstruction shall not take place, then reconstruction shall not be required. In such event the insurance proceeds shall be delivered to the Unit Owners or their mortgagees, as their interests may appear, in proportion to the respective interests of the Unit Owners, as computed by dividing the square footage of each Unit by the total square footage of all Units taken together; and the Board, as soon as reasonably possible and as agent for the Unit Owners, shall sell the Property, in its then condition, free from the effect of this Master Deed, which shall terminate upon such sale, on terms satisfactory to the Board, and the net proceeds of such sale and the net proceeds of all insurance policies shall thereupon be distributed to the Unit Owners or their mortgagees, as their interests may appear, in proportion to the percentage interest of each Unit Owner in the Common Elements. If the Board fails to consummate a sale pursuant to this paragraph within twenty-four (24) months after the destruction or damage occurs, then the Managing Agent, or the Board, shall, or if they do not, any Unit Owner or Mortgagee may, record a sworn Declaration setting forth such decision and reciting that under the provisions of this Master Deed the prohibition against judicial partition provided for in this Master Deed has terminated and that judicial partition of the Property may be obtained pursuant to the laws of the State of Tennessee. Upon final judgment of a court of competent jurisdiction decreeing such partition, this Declaration shall terminate.

The Board shall also have authority to and shall obtain comprehensive public liability insurance, in such amounts as it deems desirable, and worker's compensation insurance and other liability insurance as it deems desirable, insuring each Unit Owner, mortgagees of record, if any, the Association, its officers, directors, Board and employees, the Developer, and the Managing Agent, if any, from liability in connection with the Common Elements. The premiums for such insurance shall be a common expense. However, at the option of the Board, and upon written notice to all Unit Owners, premiums for such insurance shall be separately billed to each Unit Owner for such Owner's corresponding percentage of ownership in the Common Elements. The Board shall retain in safekeeping any such public liability policy for six (6) years after the expiration date of the policy.

The Board shall also have authority to and may obtain such insurance as it deems desirable, in such amounts, from such sources and in such forms as it deems desirable, insuring the Property and each member of the Board and officers of the Association, and members of any committee appointed pursuant to the Bylaws of the Association from liability arising from the

fact that said person is or was director or officer of the Association, or a member of such a committee.

Each Unit Owner shall be responsible for obtaining his own insurance on the contents of such Owner's Unit, as well as additions and improvements thereto, decorations, furnishings and personal property therein, and personal property stored elsewhere on the Property. In addition, in the event a Unit Owner desires to insure against such Owners personal liability and loss or damage by fire or other hazards above and beyond the extent that such Owner's liability, loss or damage is covered by the liability insurance and insurance against loss or damage by fire and such other hazards obtained by the Board for all of the Unit Owners as part of the common expenses, as above provided, said Unit Owner may, at such Owner's option and expense, obtain additional insurance.

14. Maintenance, Repairs and Replacements. Each Unit Owner, at such Owner's expense, shall furnish and be responsible for all maintenance of, repairs to and replacements within such Owner's Unit; provided, however, the Board may choose to provide such maintenance and repairs as part of the common expense. Maintenance of, repairs to and replacements within the General Common Elements, including landscaping and yard maintenance, shall be the responsibility of and shall be furnished by the Association. The cost of maintenance of, repairs to and replacements within the General Common Elements shall be part of the common expenses, subject to the Bylaws, rules and regulations of the Association. To the extent not covered by the insurance of the Association, the expenses for the maintenance, repair or replacement of Limited Common Elements shall be borne by the owner of the Unit to which such Limited Common Elements are appurtenant and at the discretion of the Board, maintenance of, repairs to and replacements within the other Limited Common Elements may be assessed in whole or in part to Unit Owners benefited thereby, and, further, at the discretion of the Board, the Board may direct Unit Owners who stand to be benefited by such maintenance of, repairs to and replacement within the Limited Common Elements to arrange for such maintenance, repairs and replacement in the name and for the account of such benefited Unit Owners, pay the cost thereof with their own funds, and procure and deliver to the Board such lien waivers and contractors' and subcontractors' sworn statements as may be required to protect the Property from all mechanics' or materialmen's lien claims that may arise therefrom.

If, due to the act or neglect of a Unit Owner, or the agent, servant, tenant, family member, invitee, licensee or household pet thereof, damage shall be caused to the Common Elements or to a Unit or Units owned by others, or maintenance, repair or replacement are required which would otherwise be a common expense, then such Unit Owner shall pay for such damage or such maintenance, repair and replacements, as may be determined by the Association, to the extent not covered by the Association's insurance or sufficient proceeds are not collected from the insurance carrier.

The authorized representative of the Association, Board or of the Managing Agent with approval of the Board shall be entitled to reasonable access to the individual Units and Limited Common Elements as may be required in connection with the preservation of any individual Unit or Limited Common Elements in the event of an emergency, or in connection with maintenance of, repairs or replacements within the Common Elements, Limited Common Elements or any

equipment, facilities or fixtures affecting or serving the other Units, Common Elements and Limited Common Elements or to make any alteration required by any governmental authority.

15. Alterations, Additions or Improvements. Except as provided in paragraph 19 herein, no alteration of any Common Elements or Limited Common Elements, or any additions or improvements thereto, shall be made by any Unit Owner without the prior written approval of the Board. The Board may authorize and charge as common expenses alterations, additions and improvements of the Common Elements and Limited Common Elements as provided in the Bylaws. Any Unit Owner may make alterations, additions or improvements within the Unit of the Unit Owner without the prior written approval of the Board, but such Unit Owner shall be responsible for any damage to other Units, the Common Elements, the Limited Common Elements, the Property, or any part thereof, resulting from such alterations, additions or improvements.

16. Decorating. Each Unit Owner, at such Owner's expense, shall furnish and be responsible for all decorating within such Owner's Unit and Limited Common Elements serving such Unit as may be required from time to time, including painting, wallpapering, washing, cleaning, paneling, floor covering, draperies, window shades, curtains, lighting and other furnishings and decorating. Each Unit Owner shall be entitled to the exclusive use of the interior surfaces of the perimeter walls, floor and ceilings of his Unit, and such Unit Owner shall maintain said interior surfaces in good condition at such Owner's sole expense, as may be required from time to time. Said maintenance and use of interior surfaces shall be subject to the rules and regulations of the Association, but each such Unit Owner shall have the right to decorate such interior surfaces from time to time as such Owner may see fit and at such Owner's sole expense. Decorating of the Common Elements and Limited Common Elements (other than interior surfaces within the Units as above provided) and any redecorating of Units, to the extent such redecorating of Units is made necessary by damage to Units caused by maintenance, repair or replacement of the Common Elements by the Association, shall be furnished by the Association as part of the common expenses.

17. Encroachments and Easements. If any portions of the Common Elements shall actually encroach upon any Unit, or if any Unit shall actually encroach upon any portions of the Common Elements, or if any Unit shall actually encroach upon another Unit, as the Common Elements and Units are shown by the Plat, there shall be deemed to be mutual easements in favor of the owners of the Common Elements and the respective Unit Owners involved, to the extent of such encroachments, so long as the same shall exist.

The Association shall have the right to grant permits, licenses and easements over the Common Elements for utilities, roads and other purposes reasonably necessary or useful for the proper maintenance or operation of the horizontal property regime.

Each Unit Owner shall have an unrestricted right of ingress and egress to such Unit Owner's Unit. Such right shall pass automatically to transferees of the Unit. Any conveyance, encumbrance, judicial sale or other transfer (voluntary or involuntary) of an individual interest in the Common Elements will be void unless the Unit to which such interest is allocated is also transferred.

18. Association's Right to Purchase at a Foreclosure Sale. The Board shall have the power and authority to bid and purchase, for and on behalf of any Unit, or interest therein, at a sale pursuant to a deed of trust or mortgage foreclosure, a foreclosure of the lien for common expenses under the Act, or an order or direction of a court, or at any other involuntary sale, upon the consent or approval of Unit Owners owning not less than three-fifths (3/5) of the total votes of the Unit owners. Such consent shall set forth a maximum price which the Board or its duly authorized agent may bid and pay for said Unit.

The Board shall have authority to make such mortgage arrangements and special assessments proportionately among the respective Unit Owners, and other such financing arrangements as the Board may deem desirable, in order to close and consummate the purchase or lease of a Unit, or interest therein, by the Association. However, no such financing arrangement may be secured by an encumbrance on any interest in the Property other than the Unit, or interest therein, to be purchased or leased, and the percentage interest in the Common Elements appurtenant thereto.

19. Use and Occupancy Restrictions. Subject to the provisions of the Bylaws, no part of the Property may be used for purposes other than housing and the related common purposes for which the Property was designed and as allowed by municipal zoning laws. Each Unit or any two or more adjoining Units used together shall be used as a residence or such other use permitted by this Master Deed, and for no other purposes except that professional and quasi-professional people may use their residence (not in violation of municipal zoning laws) as an ancillary or secondary facility to an office established elsewhere. The foregoing restrictions as to residence shall not, however, be construed in such manner as to prohibit a Unit Owner from: (a) maintaining a personal professional library; (b) keeping personal business or professional records or accounts; or (c) handling personal business or professional telephone calls or correspondence. Such uses are expressly declared customarily incident to the principal residential use and not in violation of said restrictions or municipal zoning law.

The Common Elements shall be used only by the Unit Owners and their agents, servants, tenants, family members, customers, invitees and licensees for access, ingress to and egress from the respective Units and for such other purposes incidental to use of the Units; provided, however, that any areas designed for a specific use shall be used for the purposes approved by the Board. The use, maintenance and operation of the Common Elements shall not be obstructed, damaged or unreasonably interfered with by any Unit Owner, and shall be subject to any lease, concession or easement, presently in existence or entered into by the Board at some future time, affecting any part or all of said Common Elements.

20. Remedies. In the event of any violation of the provisions of the Act, Master Deed, Bylaws or rules and regulations of the Board or Association by any Unit Owner (either by the Unit Owner's own conduct or by the conduct of any other Occupant of such Owner's Unit) the Association, or its successors or assigns, or the Board, or its agent, shall have each and all of the rights and remedies which may be provided for in the Act, Master Deed, Bylaws, or said rules and regulations, or which may be available at law or in equity, and may prosecute an action or other proceeding against such defaulting Unit Owner and/or others for enforcement of any lien

and the appointment of a receiver for the Unit and ownership interest of such Unit Owner, or for damages or injunction or specific performance, or for judgment for payment of money and collection thereof, or the right to sell the Unit through judicial process as provided hereinbefore, or for any combination of remedies, or for any other relief. All expenses of the Board in connection with any such actions or proceedings, including court costs and attorneys' fees and other fees and expenses and all damages, liquidated or otherwise, together with interest thereon at the rate of ten (10%) percent per annum, or the maximum rate allowed by applicable law if less, until paid, shall be charged to and assessed against such defaulting Unit Owner, and shall be added to and deemed part of such Owner's respective share of the common expenses, and the Board shall have a lien for all of the same, as well as for nonpayment of his respective share of the common expenses, upon the Unit and ownership interest in the Common Elements of such defaulting Unit Owner and upon all of such Owner's additions and improvements thereto and upon all of such Owner's personal property in such Owners Unit or located elsewhere on the Property, provided, however, that such lien shall subordinate to the lien of a recorded mortgage or deed of trust on the interest of such Unit Owner, except for the amount of the proportionate share of said common expenses which become due and payable from and after the date on which the said mortgage or deed of trust owner or holder either takes possession of the Unit, accepts a conveyance of any interest therein (other than as a security) or files suit to foreclose its mortgage or deed of trust. In the event of any such default by any Unit Owner, the Board and the manager or Managing Agent, if so authorized by the Board, shall have the authority to correct such default, and to do whatever may be necessary for such purpose and all expenses in connection therewith shall be charged to and assessed against such defaulting Unit Owner. Any and all such rights and remedies may be exercised at any time and from time to time, cumulatively or otherwise, by the Board. This paragraph shall not be amended, changed, modified or rescinded without the prior consent of all holders of record of mortgage and deed of trust liens against Units.

The violation of any restriction or condition or regulation adopted by the Board or the breach of any covenant or provision herein contained, shall give the Board the right, in addition to any other rights provided for in this Master Deed; (a) to enter (either peaceably or forcibly without liability to such Unit Owner for such entry) upon the Unit, or any portion of the Property upon which, or as to which such violation or breach exists and to summarily abate and remove, at the expense of the defaulting Unit Owner, any structure, thing or condition that may exist thereon contrary to the intent and meaning of the provisions hereof, and the Board, or its employees or agents, shall not thereby be deemed guilty in any manner of trespass; or (b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any breach; or (c) to take possession (either peaceably or forcibly without liability to such Unit Owner for such entry) of such Unit Owner's interest in the Property and to maintain an action for possession of such unit in the manner provided by law.

If any Unit Owner (either by such Owner's conduct or by the conduct of any other occupant of his Unit) shall violate the Act, or any of the covenants or restrictions or provisions of this Master Deed or the regulations adopted by the Board, and if such default or violation shall continue for ten (10) days after notice to the Unit Owner in writing from the Board, or shall occur repeatedly during any ten (10) day period after such written notice or request to cure such violation from the Board, then the Board shall have the power to issue to said defaulting Owner a

notice in writing terminating the rights of the said defaulting Owner to continue as a Unit Owner and to continue to occupy, use or control such Owner's Unit, and thereupon an action in equity may be filed by the Board against said defaulting Owner for a decree of mandatory injunction against such defaulting Owner or Occupant, or in the alternative, for a decree declaring the termination of said defaulting Owner's right to occupy, use or control the Unit owned by him on account of said violation, and ordering that all the right, title and interest of said defaulting Owner in the Property shall be sold (subject to the lien of any existing deed of trust or mortgage) at a judicial sale upon such notice and terms as the court shall determine, except that the court shall enjoin and restrain the said defaulting Owner from reacquiring such Owners interest at such judicial sale. The proceeds of any such judicial sale shall first be paid to discharge court costs, court reporter charges, reasonable attorneys' fees and all other expenses of the proceeding and sale, and all such items shall be taxed against said defaulting Owner in said decree. Any balance of proceeds, after satisfaction of such charges and any unpaid assessments hereunder or any liens, shall be paid to said defaulting Owner. Upon the confirmation of such sale, the purchaser shall thereupon be entitled to a deed to the Unit and the Unit Owner's corresponding percentage of ownership in the Common Elements, and to immediate possession of the Unit sold and may apply to the court for a writ of assistance for the purpose of acquiring such possession, and it shall be a condition of any such sale, and the decree shall so provide that the purchaser shall take the interest in the Unit Ownership sold subject to this Master Deed.

In addition to the other remedies provided for herein, in the event of a default by a Unit Owner in the payment of such Unit Owner's respective share of the common expenses which default continues for a period of ninety (90) days, the Board shall have the power and authority to place such Unit Owner's name on a list of delinquent Unit Owners, which list may be posted at a place designated by the Board for notices.

21. Amendments.

(a) Except as specifically stated elsewhere herein, and except for this Section 21, any provisions of this Master Deed may be changed, modified or rescinded by an instrument in writing, setting forth such change, modification or rescission, signed by Unit Owners owning not less than sixty-seven percent (67%) of the total Units and acknowledged, provided, however, that all lien holders of record have been notified by certified mail of such change, modification or rescission, and an affidavit by the secretary of the Association certifying to such mailing is made a part of such instrument.

However, if the Act, the Master Deed or the Bylaws require the consent or agreement of all Unit Owners or of all lien holders for any action specified in the Act or in this Master Deed, then any instrument changing, modifying or rescinding any provision of this Master Deed with respect to such action shall be signed by all Unit Owners or all lien holders or both as required by the Act or this Master Deed. The change, modification or rescission, whether accomplished under the provisions of the preceding paragraph, shall be effective upon recording of such instrument in the office of the Register of Deeds of Davidson County, Tennessee; provided, however, that no provision in this Master Deed may be changed, modified or rescinded so as to conflict with the provisions of the Act.

Notwithstanding the above, the Developer shall have the right to make and record any necessary amendment to this instrument for the express purpose of completion of development or correction of clerical errors or as may be required to obtain FHA/VA and/or Fannie Mae approval for the condominium development.

(b) Notwithstanding the foregoing, the approval of Eligible Mortgagees representing at least fifty-one percent (51%) of the votes of Units subject to deeds of trust or mortgages held by Eligible Mortgagees shall be required for (x) the amendment of any provision of this Declaration that relates to any of the following (sometimes referred to herein as "Major Decisions") or (y) the approval by the Unit Owners of any matter that is submitted to a vote of the Unit Owners pursuant to this Master Deed and that relates to any Major Decision:

- (1) voting rights,
- (2) increases in assessments that raise the previously assessed amount by more than twenty-five percent (25%) or the lien for assessments or the priority thereof,
- (3) reductions in reserves for maintenance, repair and replacement of the Common Elements,
- (4) responsibility for maintenance and repairs,
- (5) reallocation of interests in the Common Elements or rights to their use,
- (6) except as provided in subparagraph (d) below, redefinition of any Unit boundaries,
- (7) convertibility of Units into Common Elements and vice versa,
- (8) expansion or contraction of the Property, or the addition, annexation or withdrawal of property from the Property,
- (9) hazard or fidelity insurance requirements,
- (10) imposition of any restrictions on the leasing of units,
- (11) imposition of any restrictions on a Unit Owner's right to sell or transfer a Unit,
- (12) a decision by the Association to establish self-management of the Property, if professional management had been required previously by this Master Deed, the By-Laws or any Eligible Mortgagee,

(13) restoration or repair of the Property (after damage or partial condemnation) in a manner other than as specified by this Master Deed or the By-Laws, or

(14) the protection or benefit of holders, insurers or guarantors of deeds of trust or mortgages on Units.

Whenever pursuant to this Master Deed or the By-Laws the agreement, concurrence or approval of an Eligible Mortgagee is required or otherwise sought, such Eligible Mortgagee's agreement, concurrence or approval may be assumed if it fails to submit a response to a written proposal for an amendment or other action within thirty (30) days after it receives proper notice of the proposal by certified or registered mail, return receipt requested.

22. Notices. Notices provided for in the Act, Master Deed or Bylaws shall be in writing, and shall be addressed if to a Unit Owner, to the address of such Owner's Unit, and if to the Association or Board, as the case may be to the registered office, as set forth in Charter of the Association or to such other address as may be designated by the Association or Board from time to time, or at such other address as may be hereinafter provided. The Association or Board may designate a different address or addresses for notices to them, respectively, by giving written notice of such change of address to all Unit Owners. Any Unit Owner may designate a different address for notices to him by giving written notice to the Association. Notices addressed as above shall be deemed delivered when mailed by United States registered or certified mail, or when delivered in person with written acknowledgment of the receipt thereof.

Upon written request to the Board, the holder of any recorded mortgage or trust deed encumbering any Unit shall be given a copy of all notices permitted or required by this Master Deed to be given to the Owner or Owners whose Unit is subject to such mortgage or trust deed.

23. Severability. If any provision of the Master Deed or Bylaws, or any section, sentence, clause, phrase, word, or the application thereof in any circumstance, is held invalid, the validity of the remainder of this Master Deed and the Bylaws and of the application of any such provision, section, sentence, clause, phrase or word in any other circumstances shall not be affected thereby and the remainder of this Master Deed or the Bylaws shall be construed as if such invalid part was never included therein.

24. Perpetuities and Restraints on Alienation. If any of the options, privileges, covenants or rights created by this Master Deed shall be unlawful, void or voidable for violation of the rule against perpetuities, then such provision shall continue only until twenty-one (21) years after the death of the survivor of the now living descendants of the President of the United States, George W. Bush.

25. Rights and Obligations. Each grantee of the Developer, by the acceptance of a deed of conveyance, accepts the same subject to all restrictions, conditions, covenants, reservations, liens and charges, and the jurisdiction, rights and powers created or reserved by this Master Deed. All future Unit Owners and Occupants shall be subject to and shall comply with

the provisions of this Master Deed. Any restrictions or rules in the Bylaws which are more than administrative in nature such as, but not limited to, reservations and future rights of the Developer, are hereby incorporated into and made a part of this Master Deed by reference. All rights, benefits and privileges of every character hereby imposed shall be deemed and taken to be covenants running with the land, and shall bind any person having at any time an interest or estate in said land, and shall inure to the benefit of such grantee in like manner as though the provisions of this Master Deed were recited and stipulated at length in each and every deed of conveyance or contract for conveyance.

All present and future Unit Owners, tenants and Occupants of a Unit shall be subject to, and shall comply with, the provisions of the Bylaws appended hereto and recorded herewith as they may be amended from time to time. The acceptance of a deed of conveyance, devise or of a lease to a Unit, or the entering into occupancy of any Unit shall constitute an agreement that the provisions of the said Bylaws and any rules and regulations promulgated thereunder, as they may be amended from time to time, are assumed, accepted and ratified by such Unit Owner, tenant or Occupant, and all of such provisions shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed, conveyance or lease thereof.

The terms and conditions of the Master Deed, Bylaws and rules and regulations may be incorporated by reference in, and become part of, the agreement between any mortgagee and any present or future Unit Owner who enters into such an agreement with a mortgagee. When so incorporated, any default in the terms and conditions of the Master Deed, Bylaws and rules and regulations may be considered as a default by the mortgagee, whereupon said mortgagee, after exercising its option to declare a default, shall then have all of the rights and privileges arising as a result of a default under its agreement with said Unit Owner.

26. Trustee as Unit Owner. In the event title to any Unit is conveyed to a land title holding trust, under the terms of which all powers of management, operation and control of the Unit remain vested in the trust beneficiary or beneficiaries, then the beneficiaries thereunder shall be considered Unit Owners for all purposes and they shall be responsible for payment of all obligations, liens, or indebtedness and for the performance of all agreements, covenants and undertakings chargeable or created under this Declaration against such Unit. No claim shall be made against any such title holder trustee personally for payment of any lien or obligation hereunder created and the trustee shall not be obligated to sequester funds or trust property to apply in whole or in part against such lien or obligation. The amount of any such lien or obligation shall continue to be a charge or lien upon the Unit and the beneficiaries of such trust, notwithstanding any transfers of the beneficial interest of any such trust or any transfer of title to such Unit.

27. Condemnation. In the event of a taking in condemnation or by eminent domain of a part of the Common Elements, the award made for such taking shall be payable to the Board for and on behalf of the Association and all mortgagees affected. If a majority of the Board in their discretion, with written consent of a majority of the Eligible Mortgagees affected, approve the repair and restoration of such Common Elements, then the Board shall disburse the proceeds

of such award to the contractors engaged in such repair and restoration in appropriate progress payments. In the event that the Board and the mortgagees do not approve the repair and commence restoration of such Common Elements within one hundred twenty (120) days after taking by the public or private authority, the Board shall disburse the net proceeds of such award on the basis of such Unit's percentage of ownership in the Common Elements to the Unit Owners and the mortgagees as their interests may appear.

Any action to terminate the legal status of this project based on taking by condemnation or eminent domain must be agreed upon by at least sixty-seven (67%) of the Unit Owners and at least fifty-one percent (51%) of the votes of Eligible Mortgagees of Units subject to deeds of trust or mortgages held by Eligible Mortgagees.

28. Rights Reserved. The Unit Owner's right of enjoyment in the property commonly owned by the Association as herein created shall be subject to:

(a) The right of the Association, as provided in its Bylaws, to suspend the enjoyment rights of any member for any period during which any assessment remains unpaid, and for such period as it considers appropriate for any infraction of its published rules and regulations; and

(b) The right of the Association to charge reasonable fees for the use of the parts of the Common Elements; and

(c) The right of the Association to diminish in any way or to dedicate or transfer all or any part of the Common Elements to any public agency or authority for such purposes and subject to such conditions as may be agreed to by the members entitled to vote thereon, provided that no such diminution, dedication or transfer, or determination as to the purposes or as to the conditions thereof, shall be effective unless the Developer (its successors or assigns) and members of the Association entitled to cast ninety percent (90%) of the total votes of members have been recorded, agreeing to such act; and

(d) The right of the Association to grant such easements and rights-of-way to such utility companies or public agencies or authorities as it shall deem necessary for the proper servicing and maintenance of the Common Elements and the individual Units.

29. Provisions Relative to Mortgagee's Rights and to Federal Home loan Mortgage Corporation and Fannie Mae Regulations. Notwithstanding anything to the contrary contained in this Master Deed, or in the Bylaws which are attached hereto, all terms, conditions and regulations which are now existing, or which may be amended from time to time, by the Federal Home Loan Mortgage Corporation ("FHLMC") or Fannie Mae ("Fannie Mae") pertaining to condominium regimes are hereby incorporated as terms and conditions of the Master Deed and Bylaws and such shall be governing upon the Property, the Developer, and the Association, so long as such terms or conditions are not inconsistent with the laws of the State of Tennessee as found in Tennessee Code Annotated, Section 66-27-101, et seq., as such may be amended.

Specifically, without limitation upon the foregoing, the following declarations shall be fully effective and controlling over any terms of the Master Deed or Bylaws which are in conflict. Any portions of such Master Deed or Bylaws which are in conflict with this paragraph, or any portion of the FHLMC and Fannie Mae regulations pertaining to condominium regimes, are hereby deleted and the following rights of mortgagees are itemized as follows:

(a) A first mortgagee, and any insurer or guarantor of any mortgage or deed of trust, under a condominium Unit at such party's request is entitled to a financial statement of the Association for the preceding fiscal year.

(b) Any first mortgagee, or other transferee, of a condominium Unit who comes into possession of the Unit pursuant to the remedies provided in the mortgage, deed of trust, foreclosure of the mortgage or deed of trust, or deed in lieu of foreclosure shall take the property free of any claims for unpaid assessments or charges against the mortgaged Unit, which accrue prior to the time such holder comes into possession of the Unit.

(c) Unit Owners, first mortgage holders, and insurers or guarantors of any first mortgage shall have the right to examine the books, records and financial statements of the Association, and current copies of the Master Deed, Charter, Bylaws, and rules and regulations of the Association and/or the condominium project during normal business hours and upon request.

(d) An adequate reserve fund for maintenance, repair and replacement of Common Elements which must be replaced on a periodic basis will be established and funded by regular monthly payments rather than by special assessments. A working capital fund for the initial months of operation equal to at least two (2) months' assessments for each Unit must be established, collected and transferred to the Association at the time of closing of sale by the Developer of each Unit and maintained in an account for the use and benefit of the Association.

(e) As set forth in Tennessee Code Annotated, Section 66-27-120, all taxes, assessments and charges which may become liens prior to the first mortgage under the laws of the State of Tennessee shall relate only to the individual condominium Unit and not to the condominium project as a whole.

(f) No Unit Owner, or any other party shall have priority over any rights of the first mortgagees of condominium Units and/or Common Elements.

(g) Any agreement for professional management of the condominium project, whether it be by the Developer, its successors and assigns, or any other person or entity, may be terminated on ninety (90) days' written notice and the terms of any such contract shall so provide. Prior to passage of control from the Developer, the Association shall not be bound, directly or indirectly, to contracts or leases unless there is a right of termination without cause and such right can be exercised at any time after transfer of control to the Unit Owners.

(h) Any holder, insurer or guarantor of a deed of trust or mortgage on a Unit may file with the Association a written request for the information listed below in this

subparagraph. Such request shall state the requesting party's identity and address and the Unit number or address of the Unit encumbered by the corresponding deed of trust or mortgage. Such request shall be effective only upon delivery to such holder, insurer or guarantor, at the address specified in the request, of the Association's written acknowledgment of receipt of the request, and upon the effectiveness of such request such holder, insurer or guarantor shall be entitled to timely written notice of:

(1) any condemnation or casualty loss that affects a material portion of the Property or the Unit encumbered by the corresponding deed of trust or mortgage,

(2) any sixty (60) day delinquency in the payment of any assessments or charges owed by the Unit Owner who owns the Unit encumbered by the corresponding deed of trust or mortgage,

(3) a lapse, cancellation or material modification of any insurance policy maintained by the Association, and

(4) any proposed action that requires the consent of a specified percentage of Eligible Mortgagees.

(i) The interest of a first mortgagee in a mortgaged Unit shall be superior to the interests of any other person, group, partnership, corporation or entity of any kind, including any interest the Board, the Developer or any Unit Owner may have in any portion of the premises, regardless of the nature of the interest or the manner in which it is acquired.

(j) Notwithstanding the above, any first mortgagee shall have all of the rights granted to a first mortgagee herein, and in addition shall have all of the rights granted to an institutional first mortgagee under its Deed of Trust, and under the laws of the State of Tennessee.

(k) A first mortgagee of a Unit Owner, upon written request, is entitled to written notification from the Association of any default in the performance by such Unit Owner of any obligation under this Master Deed and/or Bylaws which is not cured within sixty (60) days.

(l) The casualty and liability insurance and fidelity bond coverage required to be maintained by the Association shall meet the requirements specified in **Fannie Mae Lending Guide, Chapter 7, "Insurance Requirements."**
