Privacy Policy

Effective November 3, 2026.

Party	Role	Responsibility
G-Xchange, Inc. (GCash Overseas)	Sponsor; accountable for entrant data; sole sender of contest-related marketing	Decides how entrant data is used, including GCash marketing sent with consent and processing in the Philippines. Answers access, correction and deletion requests
Tulong Technologies Inc.	Administrator; handles data on GCash's instructions	Hosts the site, collects entries, runs the draw, verifies winners. Does not use the data for its own purposes. Passes any privacy request it receives to GCash promptly
Kabalen Fine Foods Inc.	Participating Venue	Displays materials and QR code. Receives no entrant data and sends no contest marketing

What we collect. Your first and last name, mobile phone number and email address; how you heard about the Contest (Kabalen or a community group you select); the date and time of your entry; basic technical data such as device type and IP address, used for security and fraud checks; and, if you win, the details needed to confirm and deliver your prize.

Why we collect it. To record and validate your entry; to run the draw, contact winners, give the skill-testing question and deliver prizes; to prevent duplicate or fraudulent entries; to measure participation through Kabalen and each community group; and to let GCash check app registrations and activity linked to your mobile number, including to verify referral fees owed to community groups.

Consent. By submitting the form you consent to this use. Marketing is separate: GCash will only send you promotional emails or texts if you tick the separate, optional box, which is unticked by default. Entering never requires it. Every message includes GCash's contact details and an unsubscribe link, and you can withdraw consent at any time.

Sharing. Tulong collects entries on the website and passes them only to GCash. Kabalen does not receive your information. We use hosting and messaging providers under contract. We do not sell your information.

Where it is stored. Your information may be stored and processed outside Canada, including in the Philippines and the United States. While it is there, courts, law enforcement or national security authorities of those countries may be able to access it under their laws.

How long we keep it. We keep your information only as long as needed to run the Contest and meet legal requirements, then securely delete or anonymize it.

How we protect it. We use safeguards that match the sensitivity of the information, including encryption in transit and restricted access. No online system is completely secure.

Your rights. You can ask to see, correct or delete your information and withdraw marketing consent. Contact Tulong Technologies at contact@tulongtech.ai, we will pass your request to GCash promptly. Deleting your entry before the draw removes you from the draw. You may also complain to the Office of the Privacy Commissioner of Canada.

Age. The Contest is for adults aged 18 or older. We do not knowingly collect information from minors.

Cookies and analytics. This site uses essential cookies and, if enabled, analytics tools to make the form work and to count visits by QR-code source.

Changes. The version on this page is the one that applies. Material changes during the Contest Period will be posted here with a new date.
