OUR PROGRAM

We are based in Suffolk, Virginia, and operate under the Department of Professional and Occupational Regulation (DPOR), Board of Cosmetology.

Our program offers 500 hours of training in the most current nail techniques, emphasizing fundamental skills and hands-on experience that will equip our students to become licensed professionals.

REQUIREMENTS

Students must:

- be 16yrs or older within one month of starting the program.
- have a valid driver's license or state ID.
- have a social security card.
- have the ability to see and perform all manicure and pedicure services
- have upper body mobility to file and apply product.

COURSE OVERVIEW

The main objective of the nail technology course is to equip each student with essential skills, safety awareness, effective work habits, and positive attitudes needed to attain proficiency in entry-level job skills. This training will help students secure licensure and find rewarding employment in the nail technology industry or related career paths.

OBJECTIVES: Upon completion of the course requirements, the determined graduate will be able to:

1. Project a positive attitude and a sense of personal integrity and self-confidence.
2. Practice effective communications skills, visual poise, and proper grooming.
3. Respect the need to deliver worthy service for value received in an employer-employee relationship.
4. Perform the basic manipulative skills in the areas of facial massage, effective use of implements and equipment, proper application of corrective makeup, unwanted hair removal, and lash/brow tinting.
5. Perform the basic analytical skills to determine appropriate skin care and makeup services to achieve the best look for each client.
6. Apply academic and practical learning and related information to ensure sound judgments, decisions, and procedures.
7. To ensure continued career success, the graduate will continue to learn new and current information related to skills, trends, and methods for career development in nail technology and related career positions.
