

SAVE OUR BASIN

Living Shoreline Project

SPONSOR PROGRAM | 2026–2027

Clean • Restore • Protect

Save Our Basin invites local businesses, individuals, families and organizations to help protect the waterways, wildlife, and coastal environment that make our community special. Through education, oyster shell recycling, restoration initiatives, volunteer engagement, and community fundraising, we turn our love and respect for the Basin into action.

Our First Initiative: The Oyster Cleaning Project

Our pilot project is being developed with support from North Carolina Coastal Federation to encourage oyster shell collection and support appropriate coastal restoration efforts. Properly collected oyster shells can be a valuable resource for approved restoration and recycling programs. **The project time frame is Oct, 2026 to April 2027.**

SPONSORSHIP LEVEL	AMOUNT	RECOGNITION & BENEFITS
Community Partner	\$250	Website or sponsor roster listing; social media thank-you; digital recognition graphic.
Oyster Sponsor	\$500	All Community Partner benefits; logo on sponsor webpage; project or event social media recognition; acknowledgment at the Oyster Roast fundraiser.
Basin Sponsor	\$1,000	All Oyster Sponsor benefits; larger logo placement on event materials; featured business spotlight; event signage recognition; 2 Oyster Roast tickets.
Save Our Basin Champion	\$2,500+	All Basin Sponsor benefits; prominent logo placement; dedicated business recognition; 4 Oyster Roast tickets; lead supporter acknowledgment.

ALL SPONSORS RECEIVE A "SAVE OUR BASIN SIGN" TO DISPLAY in your business, on your dock, anyway the public can see.

Other ways to participate: donate goods or services, provide raffle or auction items, collect eligible oyster shells under project guidelines, display campaign materials, or encourage employee volunteerism.
