

# STORYBOARD

## PLAN FOR PROFESSIONAL LEARNING CIRCLES

### Slide 1:

Teachers will participate in a professional learning circle to hold meaningful discussions about the use of the students' home language in the classroom.

### Session Objective

### Slide 2:

- Be present
- Contribute to the discussions
- Keep an open mind
- Focus on supporting your students
- Ask clarifying questions

### Session Norms

### Slide 3:

- Introduction
- Thought-Provoking Quote
- Exploring Babbling Discussion:
- Integrating Home Language in the Classroom
- Final Reflections and Closing Remarks

### Circle Agenda

### Slide 4:

“The fact the learners are learning English does not mean that they are incapable of tackling complex subject matter concepts in this new language.”

Walqui and Lier (2010)

### Quote for Thought

### Slides 5-8:

Exploring Babbling Discussion: Incorporating Home Language in the Classroom

- **Question 1:** Understanding Your Student Profile
- **Question 2:** Tailoring Lessons for Effective Teaching
- **Question 3:** Leveraging Home Language for Enhanced Learning

### Babbling Questions

### Slide 9-10:

#### Key Takeaways:

- Summary of Main Points
- Q&A Session
- Implementing Actionable Plans: Participants will choose a strategy to integrate into the classroom for the upcoming session.

### Closing Remarks & References

**Note:** Every slide will incorporate audiovisual elements. Participants can simply click on the audio arrow icon to enrich their learning experience. Videos will serve as examples to demonstrate various learning strategies.

# PROFESSIONAL LEARNING SAMPLE SLIDES

## Session Objective

Teachers will participate in a professional learning circle to hold meaningful discussions about the use of the students' home language in the classroom.

## Quote for Thought

"The fact the learners are learning English does not mean that they are incapable of tackling complex subject matter concepts in this new language."

Walqui and Lier (2010)

## Babbling Discussion: Home Language in the Classroom?

## Babbling Question #3

How can you build on your students' home language to support their learning?
