

Rivers of Gold: Oşun, Peony & Bay Leaf Magic
The River Still Flows

First time carrying the sacred calabash to the river at 256 Osun Festival NYC (2017)

Beloved Bloomkeeper,

The sacred waters of the *Ọṣun Osogbo Festival continue to flow, carrying sweetness, blessings, and the shimmering gold of abundance into our lives.*

We are still basking in the **glow** of the 8/8 Lions Gate portal, Full Moon in Aquarius and Ọṣun's Sacred River Day, a powerful moment when heaven's gates and the river's blessings align.

Ọṣun teaches us that receiving is an act of trust. Just as the river cannot carry what it does not release, we too must *loosen our grip on what no longer serves, old fears, outdated stories, stagnant energy,* so our hands, hearts, and spirits are **free to welcome new blessings.**

On the powerful convergence of the Qşun Osogbo Festival, the Lion's Gate Portal and Full Moon, *we enter a gateway of love, abundance, and truth.* The sweet waters of Qşun flow strongest during this time, *blessing us with fertility, prosperity, and the courage to live from the heart.* The Lion's Gate energy amplifies this opening a channel for spiritual downloads, manifestation, and higher self-connection. *Take a listen to the meditation we released during the powerful 8/8 portal.*

Flower Ally: California Peony

California Peony blooms with lush beauty, whispering,

"You are worthy of receiving."

As a flower essence, it dissolves scarcity thinking, quiets self-criticism, and nurtures openness to joy, love, and prosperity. Working with Peony essence is like bathing your spirit in sunlight, it restores confidence, magnetism, and the courage to fully bloom.

It also reminds us that true abundance often comes after release—after we make space for it to arrive.

Plant Ally: Bay Leaf (Money Ally)

Bay leaves are a timeless prosperity charm, believed to draw wealth and success when kept close.

Practical Ritual Applications

- **Intention Burning:** Write your desire on a dried bay leaf, hold it close to your heart, and safely burn it in a fireproof dish—sending your intention into the ether through smoke.
- **Money Ally:** Slip a bay leaf into your wallet or money drawer to energize financial flow.

Closing Blessing,

May your days be *touched by the golden light of Oşun's river*.
May your *heart* be soft enough to receive and strong enough to hold your blessings.
May *abundance flow in ways seen and unseen*, filling your life with sweetness, peace, and joy.
And may you always remember: *to receive fully, you must first release*.

With sweetness and in flow,
Iya Bola

Honor Ọṣun At The Sacred River

Join us in honoring the sacred River Goddess Osun during the second river day known as **Ikeserodo**, when prayers, offerings, and rituals are carried by the currents of her holy waters.

This year, we are offering three tiers of traditional offerings made on your behalf at the river:

- Obi (Kola Nut Offering)
- Hen Offering
- Goat Offering

Let your prayers flow into the sacred grove and reach the heart of Ọṣun herself.
