Dear Members,

Happy Nursing Week from your ONA111 Executive!

We'll be visiting all three SHN sites next week to distribute gifts and connect with members. Please read carefully — there are two **separate gift processes** this year.

1. Main Nursing Week Gifts – ONA Unit Rep Pickup Only

Each ONA RN will receive a Nursing Week gift. **These are not picked up individually.**

We are asking the **ONA Unit Rep (or a designated alternate) from each unit** to come to the appropriate site and collect gifts for all **ONA RNs only on their unit.**

- You will receive the total number of gifts for your unit — not just for nurses working that day or shift.
- There will be a sign-off sheet. Make sure each nurse signs when they receive their gift.
- Reps/designates are responsible for deciding the best way to distribute gifts across shifts. (Example: having the charge nurse distribute them per shift.)

If you're the Unit Rep and cannot attend, please make sure someone else goes on your behalf.

Any member **working on the day of a site visit** is invited to stop by the ONA table to:
