## Accomplishments & Future Projects (2022–2025)

The Friends of the FBGC proudly share the accomplishments made between 2022 and 2025, along with our plans for continued improvements to the course and facilities. These projects are made possible through the dedication and support of our members and community.

### ***Accomplishments (2022–2025)***

- Seven days of tree trimming completed in 2023, 2024, and 2025
- New fencing installed around 9 West
- 216 new tee markers added across the course
- Two clocks installed at the Starter Shack
- Four fans and two rocking chairs added to the FBGC back porch
- Two new garden hoses for course maintenance
- Club cleaner and ball washer installed
- Spike cleaners added for player convenience
- 27 patriotic flags placed on the greens
- Over 45 bluebird houses installed around the course
- Creation of a Golf Library
- Launch of the Friends of the FBGC Facebook page

### ***Future Projects***

- Annual tree trimming program
- Refurbishing restrooms
- Installation of a sand bottle rack
- Refurbishment of the Starter Shack
- Addition of driving range targets
- New fencing for Toptracer
