Re: False Claims

Dear Representative Titus:

I represent Mark Robertson, the Republican nominee for Congress in CD1. Demand is hereby made that you immediately cease and desist from making blatantly false, deliberately misleading, and defamatory statements regarding Mr. Robertson, as well as his positions on Social Security, Medicare, and abortion.

In media interviews and through telephone surveys, you and your surrogates have falsely stated that Mr. Robertson plans to ban abortion nationwide. Mark Robertson has consistently and repeatedly said that he will not support any Federal legislation that overturns the will of the people. In Nevada, abortion is a settled law.

In media interviews and through telephone surveys, you and your surrogates have falsely stated that Mr. Robertson wants to take away Social Security and Medicare. Mark Robertson has consistently and repeatedly said he will fight to protect and strengthen Social Security and Medicare, so they will be there for the millions of Americans who have paid into the system.

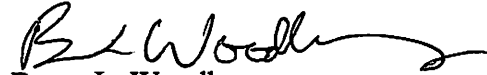

In advertisements and through telephone surveys, you and your surrogates have falsely stated that Mr. Robertson became rich by bilking seniors, teachers, and blue-collar people while he was a financial planner. As you are fully aware, Mark Robertson has a spotless record with the Security and Exchange Commission and the Financial Regulatory Authority. During his 20-year career as a Certified Financial Planner, he never received any customer complaints or disciplinary action.

To avoid legal and administrative action, please do the honorable thing by stopping these dishonest attacks by you and your surrogates on a decorated combat Veteran.

By copy of this letter, each media outlet is also being requested to cease and desist from continuing to quote these falsehoods without challenge.

Yours truly,

WOODBURY LAW
