

**PRECAUTIONARY
BOIL WATER NOTICE**

BOIL YOUR WATER BEFORE USING

Date

1-27-18

Bring tap water to a rolling boil, boil for one minute, and cool before using. Or use bottled water. Boiled or bottled water should be used for drinking, making ice, washing dishes, brushing teeth, and preparing food until further notice.

This Precautionary Boil Water Notice applies to the water customers of

System

Willowest Est. 651 0778

Harmful microbes may be present in your drinking water.

Harmful microbes in drinking water can cause diarrhea, cramps, nausea, headaches, or other symptoms and may pose a special health risk for infants, some elderly, and people with severely compromised immune systems. But these symptoms are not just caused by microbes in drinking water.

If you experience any of these symptoms and they persist, you should seek medical advice.

You will need to boil water until you are informed that tests show you no longer need to boil your water.

For more information, please contact:

Blount Utilities Inc. 863-324-3330.

Please share this information with other people who drink this water, especially anyone who may not get this notice directly (for example, people in apartments, nursing homes, schools, and businesses).

You can do this by posting this notice in a public place or distributing copies by hand or mail.
