NOTICE TO **ALL** **RESIDENTS...**

The new **BRIDGEWATER ON LODDON DEVELOPMENT INC.** committee held their first Official Meeting on Thursday 27th May. Due to legislative changes to Section 86 committees, we are now an incorporated entity.

If you have any ideas for your community,
we would like to invite you to join our group!

Meetings are held monthly; next one being on Tuesday 22nd June, 7.30pm at the Memorial Hall Supper Room. We understand it is not always possible to attend every meeting; however you can still be a part of the committee and receive minutes, updates and agenda's.

Our **first priority** is the ongoing improvements to the **MEMORIAL HALL** and its 100 year Centenary celebrations which are fast approaching in early 2023. Although this seems a long way off, we have Building works to continue and finish, Furnishings and Historical Memorabilia to find and display, and outside landscaping to be planned, funded and completed.

Equally important to the Town and surrounding area is the **COMMUNITY PLAN!** Any interested residents are welcome to join and we need at least one member of every club and business to represent all aspects of the town and surrounding area, present ideas and help to shape the future of the town and surrounding area.

If you are even a little interested and wish to become involved just reply with your Name, email/residential address and a contact phone number and help to continue to make Bridgee the best place to

Live, Work and Play.
