- Current HCP-BLS and ITLS certificates
- Valid Class 4 driver's license (or equivalent)
- Primary Care Paramedic diploma

Knowledge, Skills, and Abilities:

- Must demonstrate the ability to work efficiently as a member of the team and possess strong interpersonal skills.
- Must be able to work all shifts as assigned, maintaining a good attendance record.
- Must have a high regard for confidentiality.
- Must have excellent work habits and exhibit professionalism.
- Must submit a current, valid and clean criminal record and vulnerable sector check.
- Must submit a current driver's abstract.

WestMed Paramedics Inc. is a busy rural ambulance service located in northwest Saskatchewan's parkland region. We provide emergency medical services to six towns, three First Nations communities and numerous resort communities over a geographical area of 12,000 square kilometres. Our vast response area and diverse demographic creates an environment in which we spend a significant amount of time with our patients and allows practice to the full extent of skill level.
