One For The Bride If you can hear the wedding bells ringing, then it is time to look for some wedding-appropriate mehndi designs. And here we are at your service with one of the best back hand mehndi designs for brides. IMAGE COURTESY : PINTEREST 16. Floral Mania There can never be enough floral back hand mehndi designs. Never. So, here we are again with a brand new floral mehndi design that left us mesmerized with its unique beauty. The use of negative space to create these big and bold flowers is surely making a statement. IMAGE COURTESY : PINTEREST 17. Beautiful Floral Back Hand Mehndi Design Here is more of floral back hand mehndi designs but with a twist. This year has seen a shift in how a mehndi design is drawn. Let go of the traditional pattern and be creative. Align your design either to the left or the right side of your hands and see how stunning it looks. IMAGE COURTESY : PINTEREST 18. Minimalistic Arabian Back Hand Mehndi Designs It is not every day that you come across a minimalistic Arabic back hand mehndi design. But, when you do come across one, don't let it go. Here is one such design that moves like hand jewelry would but does it with paisley and leaf motifs. IMAGE COURTESY : PINTEREST 19. Pretty Paisleys Paisleys are a popular choice when it comes to making back hand mehndi designs. But, we rarely see such a mehndi design that is so paisley-dominated. It is something new and it is here to stay. IMAGE COURTESY : PINTEREST 20. Flowers In The Grid We have already told you how wonderful grids can be as part of back hand mehndi designs. Add in some big and bold flowers to create a contrast and you will get a spectacular mehndi design just like this one. IMAGE COURTESY : PINTEREST 21. Full Back Hand Mehndi Designs Did we not say that Rajasthani back hand mehndi designs come with intricate details? This is a design that exudes the go-big-or-go-home energy. The full-hand design is perfect for weddings if you are a bride who is big on the detailed traditional mehndi designs. IMAGE COURTESY : PINTEREST 22. With Sun And Moon With back hand mehndi designs, you can get as creative as you want. Let your imagination flow.

Here we have one such creative design that takes a different route and manages to look spectacular. The sun and the moon as mehndi designs are unique choices and paint a pretty picture too. IMAGE COURTESY : PINTEREST 23. Back Hand Mehndi Designs With Details Here is yet another full hand mehndi design that can simply take your breath away with its amazingly intricate details. It uses tons of different patterns and binds them together to create one of the most beautiful back hand mehndi designs. IMAGE COURTESY : PINTEREST 24. Pansies And Geometry Move over roses and lotuses and try something new. How about some pansies? This mehndi design comes with realism and is complemented with a geometric pattern. IMAGE COURTESY : PINTEREST 25. Jewellery Inspired Back Hand Mehndi Designs Back hand mehndi designs have often taken inspiration from jewelry. And this is one such design that imitates the design and fit of a bejeweled cuff. The delicate gold chains are replaced with delicate leafy vines and the sturdy yet gorgeous body of the cuff is taken by the grid design. IMAGE COURTESY : PINTEREST 26. Kings And Queens Are you a fan of poker? Then, use this back hand mehndi design as a nod to your little hobby. This design is a move away from the traditional mehndi designs that are usually meant for brides. However, it gives an ode to the bride and the groom in its unique way. IMAGE COURTESY : PINTEREST 27. Intricate Design For Fingers You don't even have to fill in the entire back hand to have a spectacular mehndi design. The job can be well done by something like this design right here. It only covers half the hand. The intricate geometric patterns are focused mainly on the fingers. IMAGE COURTESY : PINTEREST 28. Half And Half There is a lot of space for innovation and creativity when it comes to back hand mehndi designs. So, here is one such innovative design that would leave you in awe. This half and half design is chic, elegant, as well as quirky. It sticks out but for all the good reasons. IMAGE COURTESY : PINTEREST 29. Rose Garden Roses are a good candidate for back hand mehndi designs and have gained popularity over the last few years. What we loved about this design was its movement and how it filled space with simple well-rounded floral motifs while keeping the focus on the beautiful roses. IMAGE COURTESY : PINTEREST 30. Latest Back Hand Mehndi Designs Have you ever seen anything as pretty as this back hand mehndi design? Neither have we. Both hands have a different design but similar patterns. And that's the beauty of it. IMAGE COURTESY : PINTEREST 31. All About Lotus Here is yet another lotus-inspired back hand mehndi design that we love. It is an elegant Arabic mehndi design that has the power of winning your heart with just one look. It is that beautiful! IMAGE COURTESY : PINTEREST 32. Big On Paisleys Paisleys are the forever companions of back hand mehndi designs. They have been used for a long time in mehndi designs. Their participation in mehndi designs is increasing with each passing year. This is yet another one of a paisley-dominated design that uses paisley within paisley. IMAGE COURTESY : PINTEREST 33. Arabic Mehndi Designs All kinds of back hand mehndi designs have seen changes that came with the latest times. And Arabic mehndi designs are no exception. Here we have a gorgeous Arabic mehndi design that creates a minimal yet spectacular impression. IMAGE COURTESY : PINTEREST 34. Elegant Back Hand Mehndi Designs Intricate back hand mehndi designs look very elegant and pretty. This one is a great example. That detailed rose in the center with more intricate details used within this mehndi design surely creates a pretty and elegant picture. IMAGE COURTESY : PINTEREST 35. Simple Back Hand Mehndi Designs This is one of the simplest and beginner-friendly back hand mehndi designs that we could find. This is a design that can fit in your daily life easily so you can draw it even without any festive occasion. IMAGE COURTESY : PINTEREST 36. Minimalistic Back Hand Mehndi Designs Move over full hand mehndi designs. The latest trend is to let your fingers be the ruler. Here is a cute mehndi design that is limited to just the fingers. It would be good as a minimal engagement mehndi design. IMAGE COURTESY : PINTEREST 37. For The Love Of Vines Back hand mehndi designs have been using vines as a central motif for long but nothing has ever been like this. It is a new take on the traditional motif. The flowy movement of the leafy vines makes it aesthetic. The different styles on both hands take things up a notch. IMAGE COURTESY : PINTEREST 38. Lotus Grid Grids look pretty when it comes to back hand mehndi designs. So, why not raise the aesthetics to another level with something as detailed as this design here? This lotus grid is the latest amongst the mehndi designs that have gained popularity this year. IMAGE COURTESY : PINTEREST 39. Painting The Fingers Painting only the fingers with a mehndi design is not as new. Here is an ode to that old tradition of mehndi adorned fingertips. If drawing isn't your strong suit, then just dip your fingers in the mehndi paste to create a statement. And you would be still doing something trendy. IMAGE COURTESY : PINTEREST 40. Intricate Designs For Back Hand From festivals to weddings, noting can beat intricate back hand mehndi designs. And here is a design that is a beautiful work of art. The details of this design are enough to leave anyone mesmerized. IMAGE COURTESY : PINTEREST 41. Minimal Magic Here is a back hand mehndi design that is minimal but with a twist. The simple mandala design has been given a trendy twist. This design just uses three motifs and patterns at most to create what we see before us: the leafy vines, some straight lines, and dot motif. IMAGE COURTESY : PINTEREST 42. Fun Mehndi Designs Sometimes the goal of backhand mehndi designs is to just fill the space and that's what has happened here but in a rather stylish manner. The main design sits perfectly in the center while smaller rounded floral motifs surround it to fill up the whole back hand. IMAGE COURTESY : PINTEREST 43. Back Hand Mehndi Designs For Brides Weddings are incomplete with elegant and intricate mehndi designs. And here is a design that will work best for your engagement day. When everybody's focus would be on the back of your hands, flaunt your beautiful ring with an equally beautiful mehndi design. IMAGE COURTESY : PINTEREST 44. Simple And Minimal Who said floral mehndi designs have to be extravagant and detailed? They can also be simple, easy, and minimal while looking stylish. This is one such design. IMAGE COURTESY : PINTEREST 45. Like A Tattoo Back hand mehndi designs can take inspiration from anywhere. So, it shouldn't be a surprise when your mehndi starts imitating a tattoo sleeve. It looks more like a mehndi tattoo and can be worn even without a special occasion. IMAGE COURTESY : PINTEREST 46. Moroccan Back Hand Mehndi Designs Moroccan mehndi designs are known for their unique geometric patterns. They look quite beautiful and can range from minimal to heavily detailed. IMAGE COURTESY : PINTEREST 47. For Full Hands Floral full hand mehndi designs have a charm of their own that no one can deny. Take a look yourself. Isn't it pretty? There are big and bold floral patterns with small floral patterns to accompany them. IMAGE COURTESY : PINTEREST 48. Quirky Back Hand Mehndi Designs The latest back hand mehndi designs are high on creativity. So, here is a new take on the Moroccan mehndi designs with a snake and the all-seeing eye. It would bring you good luck and protect against the negative energies. IMAGE COURTESY : PINTEREST 49. More Arabian Magic Arabic back hand mehndi designs would never go out of style. So here we have a gorgeous design that makes good use of light as well as bold strokes. IMAGE COURTESY : PINTEREST 50. Pretty As A Picture Back hand mehndi designs with that impeccable symmetry surely paint a pretty picture. So, here we are one such design. Doesn't it look spectacular? IMAGE COURTESY : PINTEREST 51. Mehndi Designs In White Back hand mehndi designs in white look just as pretty as the traditional designs. And here is the proof. IMAGE COURTESY : PINTEREST 52. Floral Beauty Floral patterns look best with grid motif especially when the grid resembles a delicate lace glove. This design has it all but with a touch of newness. IMAGE COURTESY : PINTEREST 53. Geometric Designs Geometric designs for back hand mehndi designs are compatible companions. Take this design, for instance. The geometric shapes compliment the traditional motifs. It is a perfectly balanced mehndi design with big and bold floral patterns sitting at the wrists as the crown. IMAGE COURTESY : PINTEREST 54. The One With Snakes If you thought we were done with snakes, then you were wrong. It is clearly a quirky choice for back hand mehndi designs. But, this is a trend that you just cannot ignore. IMAGE COURTESY : PINTEREST 55. Latest Designs For Back Hand In the latest trends, grids have taken the lead when it comes to back hand mehndi designs. So, here is a beautiful back hand mehndi design with a beautiful grid pattern followed with floral motifs. IMAGE COURTESY : PINTEREST 56. Paintings On The Wall This back hand mehndi design is so pretty that it looks exactly like paintings when hung on a wall with their pretty frames. IMAGE COURTESY : PINTEREST 57. Moroccan Back Hand Mehndi Designs We are here with another Moroccan back hand mehndi design. This time, it reaches the full hand and is not at all minimal. The geometric patterns of a Moroccan design have a unique beauty to them and can be drawn in several ways. IMAGE COURTESY : PINTEREST 58. Sweet And Simple Here is yet another of the elegant back hand mehndi designs that would make for a good fit for your engagement day. IMAGE COURTESY : PINTEREST 59. Like A Cuff This is a spectacular and unique back hand mehndi design that takes inspiration from jewelry. Just like a bejeweled cuff, this mehndi design sits on above the wrists and covers half the hand. IMAGE COURTESY : PINTEREST 60. Unique Back Hand Mehndi Designs When a design comes with contrasting elements, not only it looks spectacular but also becomes unique. Here is one such back hand mehndi design that caught our eye. It attracted us with its uniqueness. IMAGE COURTESY : PINTEREST 61. Beauty Of Flowers There can never be enough floral back hand mehndi designs. Never. Especially when a floral mehndi design looks like this. Just look how spectacular is its beauty. The intricate details and the different kinds of floral patterns are well complemented by the bold leaf patterns. A gorgeous bride flaunting her Mehendi is one of the best shots anyone can find in a bunch of photographs. But because Mehendi is quite common in all weddings, a unique design plays a vital role in making the bride stand out beautifully in a sea of decorations. After all, it is a meaningful and memorable day for the bride; therefore, a competitive streak to look the best is necessary. We present you with the best and latest backhand mehndi designs in varying sizes and patterns. Let's go through the plans without further ado and choose what impresses you the most. 40+ Gorgeous Back Hand Mehndi Designs: These back hand Mehndi designs need not be only for a bride, but you can try these beautiful patterns for any special occasion, from festivals to significant family functions. So flaunt your beautiful hands by adorning any of the designs mentioned below. 1. Artistic Back Hand Mehndi Design: Florals and motifs are common combinations in backhand mehndi design patterns. You can find intricate details such as crisscross lines on the fingers and semi-circles filled with beautiful patterns. Top the design off with bright and gorgeous nail paint that enhances the beauty of the plan. 2. Diamond Shape Mehndi Design On Back Hand: This design is a simple yet elegant choice for people who don't like elaborate arrangements at the back of their hands. The fingers are filled with alternate patterns, while the central area of the hand's back has a diamond shape surrounded by curvy patterns. Since the site around the diamond is left empty, the design looks impressive. 3. Arabic Back Hand Mehndi Designs: Add a breath of fresh air to your Mehndi by choosing an Arabic design. The beautiful floral motifs in a diagonal way create an attractive outlook on the back of your hand. Another unique addition to the plan is the dotted line that looks like a small net. This design looks beautiful for every occasion. Also See: Thumb Mehndi Designs 4. Jewelry Modern Back Hand Mehndi Design: Jewellery pattern is gaining popularity and is a favourite of mehndi artists. You can go for elaborate or straightforward designs based on your choice, replicating ordinary women's jewellery. These designs are most apt and suitable for the backhand. 5. Arabic Fusion Back Hand Mehndi Design: This is yet another backhand mehndi design that combines the beauty of both Arabic and Indian designs exceptionally. The intricate details in this design look beautiful ad cover most of your hand, leaving out your fingers except the index finger. This design looks gorgeous on the back of your hand. 6. Exquisite Mehndi Design Back Hand: If you want to incorporate Indian-style mehndi designs with elaborate and detailed patterns, this backhand mehndi design can be a perfect choice. This design elevates the centre's way and the fingers since there is open space left around the hand. You can boost it further by adding bright nail paint. 7. Floral Back Mehendi Designs: Floral patterns have always been an essential part of mehndi patterns for many decades, and this pattern looks similar to Arabic design. The large roses on the back of your hand have a dark outer line filled with thin lines in the centre. This simple design looks exceptional for every occasion. 8. Pakistani Back Hand Mehendi Design Pattern: The intricate patterns and style are commonly found in Pakistani mehndi designs, and you can incorporate them if you are a fan of such a sort. Unlike many other ways, this design covers your fingers with detailed and unique designs. Another uniqueness of this mehndi design is the placement of a broad bracelet at the back of your hand. 9. Rajasthani Back Hand Mehndi Design: The combination of floral motifs and jewellery patterns makes the Rajasthani backhand Mehndi designs unique. These designs are detailed, elaborate, and applied to the hands and legs of brides. This gorgeous design may take some time to use on the back of your hand but looks beautiful on the wearer. 10. Simple Back Hand Mehndi Design: If you are looking for a simple yet elegant design for the back of your hand, this pattern is the perfect option. The entire structure is made up of vertical lines in combination with dots. The little finger has crisscross lines, whereas the index finger has beautiful circular patterns leaving all the other fingers empty. It makes the design unique and stand out. 11. Filling Back Hand Mehndi Design: This design is the perfect option for people who would not want to leave any open space at the back of their hands. Its combination of patterns fills up your hand entirely and creates a look that reminds you of a maze. You can leave your nails open and fill them with dazzling nail colour. 12. Elaborate Back Hand Mehndi Designs: Elaborate backhand mehndi designs are pretty popular among brides, and when they include traditional patterns like mandala designs, it takes it up a notch. This mandala art mehndi design looks impressive both on the front and back of your hand. The plan is further elevated exceptionally by covering up the area around the mandala. 13. Peacock Arabic Latest Back Hand Mehndi: In Indian culture, peacocks represent royalty and, therefore, a familiar figure you can find in henna designs. Combining peacock motifs with other patterns creates a festive look to the wearer's backhand. You can elaborate on the plan or use it slantingly as per your choice. 14. Unique Mehndi Back Hand Design With Leaf Motifs: This semi-circle design at the back of your hand is filled with motifs similar to thin leaves and rice grains. This design is filled with elaborate and beautiful patterns that fill up space elegantly and give your hand an edgy look. This design is perfect for adding a modern twist to the henna design. 15. Mandala Stylish Mehndi Designs For Back Hand: Mandala art is one of the ancient and commonly found mehndi designs among women of all ages. This simple design has a giant mandala at the centre, leaving the design space around the structure clear. You can also fill up the area as per your choice if you are into intricate and detailed patterns. 16. Stylish Back Hand Mehndi Designs: This is yet another stylish backhand henna design that includes the traditional importance of Mehndi while incorporating mandala art into it. You can add a modern touch to it by leaving it as shown in the picture or adding additional motifs to create an elaborate pattern. 17. Back Hand Arabic Mehndi Design: If you are a fan of Arabic mehndi designs with a fusion of Indian style, you can choose this pattern without thinking. This design is simple but has a unique elegance, making it a choice for people who love simplicity. You can further elevate the design by adding an exceptional nail colour. 18. Beautiful Ring Back Hand Mehndi: This is yet another example of jewellery mehndi designs that are the favourite choice of henna artists. These designs are best suited for the back of your hands since they exude the elegance of authentic jewellery. The bracelet and the ring connector look beautiful and can look like a replacement for the original jewellery. 19. Intricate Bridal Back Hand Mehndi Design: This can be a perfect choice if you are a bride looking for the best-looking backhand mehndi designs for your special day. The mandala in the centre is followed by unique and intricate patterns all over the hand. You can add different methods to create a unique look for a bride. "If you're interested in full hand designs, check out our dedicated article on full hand mehndi designs." 20. Simple Back Hand Mehndi Design: The small flowers and intricate details make the mehndi design look fabulous. This distinctive type of back-hand mehndi design is incredible that has appeared with leaves and flower-shaped patterns. 21. Black Back Hand Mehendi Design: The black back hand mehndi design has been made for the feminine crowd. It is for those who are trying Mehndi tattoos for the first time. This mehndi design with floral and leaf patterns looks simple, pleasant and attractive on everyone's skin. 22. Breathtaking Back Side Mehendi Design: A mehndi design made in rich black colour with some lovely patterns, created in the old Mughal style, looks glorious and spectacular on the skin. The border and the shading of the mehndi design covering the backhand are mesmerizing. 23. Finger Back Hand Mehndi Design: This outline resembles adornments where the ring is joined to the finger. The example is kept extremely customary with bloom themes and globule works. It begins from the middle finger on both hands and keeps running down the back of the hand till the wrist. 24. Traditional Back Hand Mehndi Design: This mehndi design is exceptionally present-day and contorts to the conventional mehndi outline. This can also be used as a henna tattoo without applying Mehndi on the palm. The mehndi art takes after the tribal block pattern, which keeps running down through the little finger. 25. Arabic Back Hand Mehndi Design: Dark Mehndi has been used to improve the fringes and is customary to top up the whole outline. The Henna art on the palm and the back of the hand are practically indistinguishable from each other. Enough space is left between the designs, giving them an extremely non-chaotic look. 26. Tattoo Style Back Hand Mehndi: This design is one of the perfect mehndi designs and gives a tremendous look to the hands. The mehndi motif will be traditional, with tiny flower and leaf motifs with beaded chain designs that are separated appropriately, making the outline engaging and emerging.
