

Frog Pond Lake

A Private Lake Community

Welcome to Frog Pond Lake!

Managed by the Frog Pond Property Owners Association (FPPOA), Frog Pond Lake is a private lake community nestled in the piney woods of Southeast Texas. Frog Pond Lake is one of two sister lakes developed in the mid 1900's by Jim Haralson (Lake Amanda and Frog Pond Lake).

Frog Pond Lake features approximately 100 acres which offers abundant wildlife, fishing and swimming. The lake contains several varieties of fish and is stocked with selected fish annually.

About Haralson Lakes

Written by Jim Haralson, 1952

Many Sabine area families have long wanted a weekend and vacation retreat in this beautifully wooded part of East Texas with its clear streams and rolling hills. Few such places have ever been available though because most of the land is owned by a few owners and is used for growing timber. With this in mind I have started development of a 1200 acre block of land that I hope will furnish many families, and particularly the children, many happy days of relaxation and healthful recreation in the water, woods and sun.

Frog Pond Property Owners Association

We are pleased to welcome you to Frog Pond Lake located in Colmesneil, Texas. To preserve the quality of the lake and maintain the stability of the dam and spillway the FPPOA is a non-profit organization which was formed in 1997. Members are encouraged to attend our bi-annual meetings each year in March and October.

The FPPOA Executive Board is comprised of President, Vice President, Secretary, Treasurer, and 3 additional board members who meet on a quarterly basis. The Board's mission is to continually improve the lake's water quality, spillway and member access area to provide its members with an attractive special place to call home.

Thanks to member's dues payment the Board has successfully improved the quality of the lake over the years. The positive results of our efforts have been confirmed by recent inspections from the TCEQ.

As property owners you share a portion of the responsibility for its support, we all have a stake in the lake. Annual dues are \$25.00; you will receive a statement in February; you can remit payment by mailing your dues to FPPOA at P.O.
