

Cuts the time spent picking up tennis balls in half!

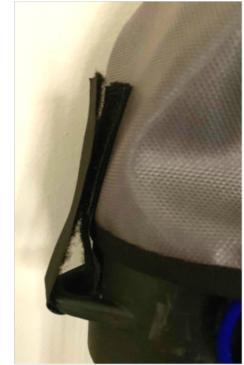

Attachment Instructions

1. The PROBAG bag opening attaches to the top of the tennis tube.

← Connect wings to Blue Tube Ties

← Connect loop to Front Loop Belt

2. Once attached, secure the PROBAG to the tube with the top and bottom Tube Belts.

Wrap Tube Belts around the front of the tube and pull through associated loop on the PROBAG.

Pull belt and secure tightly.

3. Snap handle together and you are ready to go!

- Easily carry the PROBAG by the handle or over the shoulder with the strap.
- Empty tennis balls from the PROBAG using the zipper opening.
