PERFORMANCE TEAM SERIES

HEADWEAR 2019-2020

DESIGNED FOR PLAYERS, BY PLAYERS

Making products that athletes count on requires insight from players at all levels of the game, and from these insights our Performance Team Series line was born. Each PTS fabric has a unique look and feel, ranging from modern woven-stretch to the traditional wool look of poly-serge. Since 1970, and for as long as the game of baseball is played, Richardson will be there to celebrate it.
