CHECK IN PROCEDURE

Welcome to your cozy home away from home! To get started, park in front of 758 Elevate on Saint Michael St. and use the keypad to access the building with code 7292. Hop on the elevator to the second floor, and unit 215 will be on your right. You'll find the door code, in your texts waiting for you at check in. Inside, your parking decal and key fob will be on the bar, ready for you to use. The key fob grants you access to the roof, gym, and both the front and back doors of the complex.

CHECK OUT PROCEDURE

As your stay comes to a close, we kindly ask you to help gather any trash and place it by the door or in the large can before you leave. If you could also pile up the dirty towels in one spot, that would be wonderful! For the dishes, just pop them into the dishwasher and turn it on; we appreciate your help in keeping things tidy.

As a friendly reminder, your door code will be activated at check-in and deactivated at check-out. When you're heading out, just press the Yale button on the deadlock to secure the unit. "Loved this place for Mardi Gras especially. A great location if you want to be downtown. It was tough to get to when I arrived due to parade routes (as expected anywhere downtown), but I was able to park on the street, and walk over to get the parking pass during a parade break. Instructions were perfect. The unit is cute, very well decorated, and very clean. Had everything I could need including cute Mardi Gras decor. I was worried about a lack of accessible power outlets and then I found the three built into the nightstand. Lastly, Shawn and Leslie were super responsive and communicative more than most I've stayed with. 10/10. Will be back!" - Heath (Airbnb)

"Shawn was great to work with! He made sure our stay was perfect and went above and beyond for us. Instructions were perfectly detailed and easy to follow for checking in and out. We had a great time! Definitely recommend." - Konnor (Airbnb)
