

The background features a collage of stationery items. On the left, there's a solid orange-red vertical band. To its right, several spiral-bound notebooks are visible. One notebook has a pink cover with a white daisy flower illustration. Another has a white cover with intricate black line art patterns. A third notebook has a vibrant, multi-colored watercolor-style cover with the word 'Chara' written in black cursive. The items are set against a dark wood-grain background.
