

# GAMING HOST

£15 PER HOUR  
FLEXIBLE HOURS - WEEKENDS  
NO PREVIOUS EXPERIENCE REQUIRED  
WOKINGHAM & SURROUNDING AREAS

At Next Generation Gaming, our Gaming Host Team are at the centre of providing the ultimate Gaming Bus experience to our customers across Wokingham and the surrounding areas.

We are looking for charismatic, customer-focused Gaming Hosts with a natural passion for engaging and supporting children, to join our team, delivering our known brand as being the South East's ultimate Gaming Party Bus!

**Previous experience is not required. Next Generation Gaming provide all training.**

## Does this sound like your ideal job?

- Flexible hours – Choose events, days and times that suit you! Pick and choose which events you would like to work! The Next Generation Gaming Bus is fully booked most weekends, so regular weekend work is required.
- Gaming Shifts from 3 hours to Full Days are available, including (paid) travel time between events (£15 per hour).
- Drive the cutting-edge, head-turning, Next Generation Gaming Van. No previous large vehicle experience is required. However, Gaming Hosts must hold a clean Full UK Driving Licence and feel confident navigating the M4 corridor roads in the (manual-drive) Gaming Bus from our base in Arborfield.
- Greet customers upon arrival, setting the Gaming Bus up in a professional manner (connecting to an electricity supply and ensuring game consoles are turned on and ready to play).
- Deliver the ultimate Gaming Party, from set-up to party-end, welcoming guests onboard the Gaming Bus, ensuring they feel comfortable and engaged throughout the event.
- Create a fun and engaging party atmosphere for our Next Generation of Gamers, supervising and supporting children; playing Xbox consoles, Driving Simulators and experiencing VR Headsets.
- Coordinate and manage all aspects of events, overseeing the flow of parties, ensuring events run smoothly, to the highest standard and on schedule.
- Provide excellent customer service, addressing any concerns or requests promptly and professionally.
- Engage with parents and showcase the supportive and safe gaming environment we proudly provide.
- Ensure the Gaming Bus is clean and ready for its next event (food/drink is not allowed onboard the Next Generation Gaming Bus, and players are asked to remove their shoes before boarding, so you can focus on hosting events, rather than cleaning up after them).

If you are passionate about providing an unforgettable customer experience and enjoy creating a fun and safe environment for the Next Generation of Gamers, apply now to join our team!
