

NEXT GENERATION GAMING

Next Generation Gaming was created by Barry Agar, alongside his partner, Tilly, in December 2023. The couple worked with local specialists to create the Next Generation Gaming Bus, with the first gamers taking their seats onboard 4 months later, in April 2024.

OUR TEAM

Barry has over 22 years of experience working with young people in both academic and social settings (including supporting children with ADHD, Autism, Asperger and Anxiety).

As parents themselves, Barry and Tilly, are extremely passionate and dedicated in delivering the ultimate gaming experience to the Next Generation of Gamers.

The Next Generation Gaming Host Team bring the magic to events. All members of our Next Generation Gaming Team have an abundance of experience working with children (DBS Enhanced checked), the majority have also supported Barry, providing holiday clubs and after-school wrap-around care to over 300 families across Berkshire.

As a small, family run business, our Gaming Host Team are a family.

OUR VISION

The Future of Gaming driven to you. Immerse yourself in another world of creativity, opportunities and possibilities. Squashing the stigma of "gaming", with guidance; we believe gaming can benefit both adults and children develop their creativity, improve strategic thinking, build perseverance and resilience in achieving goals, improve communications skills and nurture relationships.

Our commitment to customer satisfaction means we go above and beyond to create a seamless and enjoyable experience for all. Next Generation Gaming is dedicated to providing the ultimate, supportive, gaming experience to all ages.
