FIELD TRIP INFORMATION

What is Sportwall?

Sportwall features over 55 interactive games and sports played on large simulator screens that keep everyone moving and engaged. Players interact with the screen using a ball, their hands, and pool noodles for toddlers.

Every game responds instantly, creating a fun, immersive experience that encourages movement, coordination, problem-solving, and teamwork. It's active play with lots and lots of learning built right in.

Located at The Mill
(Inside the Shoppes)
