Subject: Re: EXTERNAL: Re: AZ State Knights of Columbus Fundraiser

Good Morning Nancy,

I am currently out of state but want to follow up with you on our fundraising drive. Is it possible to get a permission letter sent to your stores state-wide so that the individual Knights council can contact the stores in their area that they will be conducting their drive on October 12th and 13th? I will send you the list of stores that Councils have identified as soon as I return on Thursday of next week.

Thank you for all of your support.

Respectfully,

Lawrence A. Powers
