***Grand Knights please share this information with your Council Brothers.***

Brothers,

I requested and have received an extension from Christ is Christmas, LLC to extend the special offer for assorted Christmas cards from September 25 to October 17 for Arizona councils. This is an excellent opportunity to initiate or expand this program in your council.

Christmas is near. Attached is a list in color of products available from 'CHRIST IS CHRISTMAS' and includes an assortment of items in addition to the Christmas cards. The order form shows the cost to the council for each item. The yellow flyer details the special discount pre-packaged assortment if orders are placed by October 17. Although this program can be used as a fundraiser, it is primarily intended for evangelization by making Christian items readily available to parishioners and providing visibility for your council and its good works.

I have received many orders from councils around Arizona. Please support this program and your parish.

Vivat Jesus!

Dennis J. Schauer PGK, PFN
