### Grand Knight's Message

Brothers,

I guess I'm going to have to start with letting you know that I had spoken with the State Deputy and he agreed with me that we should stop sending contributions to Hacienda Healthcare for a while as is the State Council. Once we get the OK from the State Deputy to resume, we will have to make a decision if we want to resume as we have in the past. We are going to have to pick new charities for the State Raffle and the Tootsie Roll money at the next meeting so I can let the Chairmen know who to make the checks out to. It would behoove you to attend this next meeting so that if you have any 501C3 charities that we can donate to you can bring it up on the floor for a vote.

Speaking of meetings: as you know the meetings are held the first Tues. of each month and the attendance is poor. The membership is what runs the Council and makes sure the officers are doing the right thing and the money is spent in a prudent fashion. If you don't show up, there's no way for you to know what's going on unless it's written here but not everything from the meeting is written in the newsletter.

I guess you forgot what was said at your first degree that you should get involved in your councils: attend meetings and assist at functions. It's not only the meetings that we need participation it's the Tootsie Roll Drive, Selling State Raffle tickets, Sunday breakfasts at Sacred Heart, Spaghetti dinners and Fish Fries where the same 3 or 4 members show up for all the above. But it doesn't stop there: the social events such as the Thanksgiving Dinner with the 4th Degree Assembly, the Children's Christmas party and the picnic, that we had to move and need to pick a date and place at a meeting. It doesn't matter if you have young children, bring your grandkids, nieces and nephews or even your neighbors can come with their kids, we may be able to recruit another member. All I'm asking it to just show up to be with your Brother Knights and their spouses and families.

The Financial Secretary has sent out the yearly dues statements and State Raffle tickets. Please send in the dues and the money for the tickets as soon as possible or bring it to the next meeting so you can get your membership card. The second notice will be sent out shortly if you haven't paid yet.

Another event in January is the District 28 meeting. Bishop Granjon will be sponsoring this at the Crosier Priory, Campo Hall from 8:00AM-12:pm this Sat., January 26th. We will have Polish sausage, thanks to Fred Noll, potato salad and sauerkraut for lunch. If you are able to help out, please come by in the AM for coffee and donuts then sit in on the meeting and help out for lunch.

There's only 1 Spaghetti dinner until Lent the Fish Fries start March 8th from 4PM -7PM in Campo Hall. Please try to attend if not to help in the kitchen then to have dinner with your family.

On a happier topic, the 3 top students from St. Catherine's who participated in the essay contest will receive a check from the Council for \$25.00, \$20.00 and \$15.00. I have to get a date from the principal as to when the awards will be given out.

Jerry also ran the Free Throw Competition and we have our winners going to the State competition at Brophy Prep. in March. They will probably get their award the same time the essay awards are given out.

The Men's Conference is on Feb. 2nd at St. Francis Xavier at 8AM. If you are still willing to go, Fr. Paul Sullivan has tickets so let me know so I can get them from him.

St. Catherine's Fiesta is being held on the 8th thru the 10th of February. We will once again be grilling and selling hamburgers. This will take quite a few members to help out so please make some time in your schedule to put in a couple of hours to give the guys a break.

I hope to see you at the next meeting on the 5th of February in Campo Hall starting at 7PM. Please be there before 7 so the meeting can get started on time with the Decade of the Rosary and we get out on time.

Thanks

Ed Mattina, GK

## Chaplain's Message continued

### A NEW WAY FOR US TO LIVE...

It is around this time of year when we hear of the call of the first disciples...Peter, Andrew, James, John...and the other eight... known to us as *apostles*.

Jesus came to begin something new – a new way of life, a new society, a new way of living and speaking and acting. Here is a reflection of what a *Jesus Society* might look like:

*Jesus said that in his society  
there is a new way for people to live:*

*you show wisdom by trusting people...*

*you handle leadership by serving...*

*you handle offenders by forgiving...*

*you handle money by sharing...*

*you handle enemies by loving...*

*and you handle violence by suffering.*

*In fact you have a new attitude towards every-  
thing,*

*towards everybody,*

*because this is a Jesus Society  
and you repent not by feeling bad  
but by thinking differently.*

If you would do an examination of your own life – perhaps an examination of the Knights of Columbus – how would you compare to the above statement?

Jesus came to bring something NEW to the world – to you and me. How are we living that newness as a baptized Christian, as a Knight of Columbus, as a son of a loving and gracious Creator God, as a brother to one another?

*Father Jude Verley, osc  
Chaplain*

## Safe Environment

Brothers,

As I have mentioned in prior newsletters and also at meetings, you must be current with the Safe Environment program to participate in any function where there are children present. Below is the website where you can register for a class or contact the office to ask questions. Please get this important class done ASAP and let me know when you have completed this. Thank you

<https://phoenix.setanet.org/index.php>

## Safe Environment Training

The Community, Family and Program Directors **must** satisfy the safe environment requirements of the Supreme Council. **Please go to [www.kofc.org/safe](http://www.kofc.org/safe)** to register for the Supreme safe environment and background check. If you are in either of these positions, if you do not satisfy the requirement, you will be taken out of that position by Supreme until the requirement is completed.

Without everyone being in compliance, the council will loose out earning the Columbian award and Star Council. This goes along with the amount of recruits we get to join the council so please get up to speed.

## Recruiting

Do you remember how you got into the Knights of Columbus? More than likely you were asked by a relative, friend or a stranger who was a Knight. Have **you** let a friend or relative know what the Knights do? Have you asked a friend or relative or to join? These are the questions you should be asking yourself and then just do it. Be proud of being a Knight and all the charitable things that we do.
