

Brothers All,

Are you facing challenges recruiting new members? Could you use some additional “muscle” to help your council do its work? Then I’m excited to invite you to a fun and informative upcoming Membership Town Hall! The State Leadership Team along with Supreme Regional Training Director Ken White will host sessions in both the Phoenix area and in Tucson.

We promise we’ll not spend time going through goals, quotas and numbers. Instead we’ll share some of the latest tips and best practices to help us all grow the Order, including some fresh ways to conduct church drives. We’ll also show you how to use the online tools that the Order has developed to help you grow your councils. This will be a town hall format and we’ll leave plenty of time for open discussion and Q&A. We’ll also provide food and drink.

Please plan to join us at one of these 90-minute Membership Town Halls at one of the following locations!
