**Prayer for a Sick Person**

† *Father of mercies and God of all comfort, our only help in time of need, visit and relieve your sick servants. Look upon them with a sense of goodness, preserve them from temptations, and give them patience to accept the suffering they must endure.*

*God of heavenly power, by the might of Your command, You drive away from our bodies all sickness and all infirmity. Be present in Your goodness with these, Your servants, so that their weakness may be banished and their strength restored. Relieve their pain, guard them from all danger, and restore them to full confidence in Your loving care. We ask this through Jesus Christ our Lord. AMEN.*

Jun

This week my wife and I took a drive up to Phoenix for lunch. Actually, we ferried a suit up to my son who needed it for an interview this week and sitting down to lunch with him was a bonus. During the course of conversation, he mentioned that he recently saw "Twelve Angry Men". For those of us that have seen it, visions of Henry Fonda and Jack Klugman together on screen quickly come to mind.

But have you ever thought about how we came to settle on twelve jurors? One theory is the number twelve was settled upon Henry II who took the number from the practice of having twelve men to investigate crimes and then determine if they agree with the innocence of the accused. Another belief is that twelve jurors was decided by a Welsh King in 725 A.D. who linked it to the twelve apostles.

Including the references to the disciples, the bible mentions the number twelve, one-hundred and eighty-seven times. There were the twelve tribes of Israel. Ishmael, first born of Abraham had twelve sons as did Jacob. New Jerusalem has twelve gates and is 12,000 furlongs per side. There are twelve names in the bible that have only two letters, and Jesus' first words, as documented in the scriptures, occurred when he was twelve-years old.

For the Weber Assembly the number twelve is also significant. It is the number of people needed for a quorum. Without twelve people in attendance the Assembly cannot conduct Assembly business. Items such as electing officers, paying bills, voting on which charities to support and how to give all gets pushed to the next meeting. While less than 10 percent of 140 members need to swing by to make a quorum, as of late the assemblies have been a few men short. So, if you are physically able to, I would encourage to swing by St. Pius on the third

Thursday of the month at 7:30. We could certainly use you.

Many Blessings and Happy Father's Day this June

### 50-50 And Capsule Drawing

On May 16, the 50-50 pot was \$7. The winner donated his share to the assembly.

The Capsule drawing winner was S.K. Richard Macgregor who was not present. The prize will be **\$38** in June.

The capsule drawing promotes meeting attendance. We keep a roster with all members numbered. At each meeting, a number is drawn and if the member is present, he wins the prize. If not, \$2 is added to the prize amount and the procedure is repeated at the next meeting. If the prize is won, the amount is reset to \$2 for the next month.
