Dear Deputy Kalisz,

Thank you for your donation to assist our beloved St. Joseph Catholic Church with our rebuilding efforts. As a fixture in the community for nearly 50 years, we are continuing the important work of Christ and the operations of our Parish. Sunday and Daily Masses are being held in Ascension Hall on our property as we plan for our future. A Rebuilding Committee has been assembled and they are working to stabilize operations, assess damages and create and implement a path forward.

Your donation of three thousand seventy-five dollars (\$3,075) means a great deal to our Parish and we are incredibly grateful for your outreach and your generosity. The real heart of St. Joseph Church is Jesus Christ and the community, the people he calls together to witness to His love. Our Donations Coordinator, Regina Edwards, will be reaching out to you to discuss next steps. Regina can be reached at (602) 448-0282.

In years to come, let history record that the fire only ignited us and served to bring us closer together in Christian faith, hope and charity. Lastly, please pray for our Parish community and me, your Pastor, Father Reggie. In the Lord, we will find strength and journey together toward our 50<sup>th</sup> Anniversary as a beacon of hope and love.

With grateful hearts,

  
Fr. Regidor Carreon  
Parochial Administrator
