Worthy State Deputy Kalisz,

I wanted to personally write to you and thank the Arizona Knights of Columbus for the generosity you have shown to our home parish, St, Joseph's, after our recent fire. Our pastor is already meeting with the Diocese to begin planning our new church building.

In the meantime, donations like yours remind us that while we may call a building "our church", the real church we belong to is built by acts of generosity like the actions of the Arizona Knights of Columbus. Thanks again and God bless.

Sincerely

Dennis Mudd  
Grand Knight
