## Arizona State Raffle Sales

Dear Brother Knights:

Our goal in 2022 is to continue to grow our sales and charity efforts because our parishes and charities still need our help. In speaking with State Officers after our 2021 raffle it was decided that we wanted to see what we could do in 2022 to get more money into the hands of our charities. We thought of a few things we could do right away this year to make an impact and adopted them. We are still looking for additional ideas as well.

If you have any questions about the State Raffle feel free to contact State Raffle Chairman Joe Rostowsky via email [jrostowsky@gmail.com](mailto:jrostowsky@gmail.com) or phone call 480 241 0406.

In closing we would like to thank our Worthy State Deputy for allowing us to serve as the 2022 Raffle team. We look forward to another very successful year.

Vivat Jesus!

Joe Rostowsky – State Raffle Chairman Phil Vicinanza – Co Chairman

## Programs

This month's rosary incentive program is Habitat for Humanity. I have not received any form 10784s from any councils showing that they have performed this program. If your council is participating in this program this month, please submit form 10784 to Supreme then send me a copy.

We are 6 months into the fraternal year... how is your council performing? Are you back to work in your parish and community? Use the FIA program guide to plan out the rest of your programs this year. Develop programs that motivates your members to help out. Good programs creates and drives involved councils as well as recruits new members. Use program guide sheets to help develop your programs. Remember, traditional programs still count towards the Columbian Award...just because the program is not listed in the guide doesn't mean it doesn't count. If you have questions or need help, please contact me.

Worthy Brothers, the hope is everybody is doing well, families are thriving, councils are getting reacclimated after the holidays. The trend for membership had previously been very positive, but we have had a little bump in the road this month. Let’s utilize the tools we have to get back on track and reset ourselves. Contact your membership team when you have membership drives scheduled and use your church drive kits to have everything you need to bring in new men. Thank you for your continued support.
