

Membership Help with training and recruiting at Parishes with Hispanic congregations

Brothers all,

Our new Supreme Hispanic Field Coordinator Pona Magana is offering his services to Councils who need help with the recruitment of Hispanic men. Brother Pona has already visited Councils and Parishes in the Diocese of Tucson on two different occasions. At Sacred Heart Council 14621, he conducted a training session with new prospects in attendance. This was followed by a CUF Degree Exemplification with eight men being exemplified (see pictures attached) and a Delta Church Drive with five prospects being recruited. At Our Lady of Fatima Council 17491 he conducted a CUF Degree Exemplification with three men being exemplified.

We have Brother Pona’s commitment to support our efforts in recruiting Hispanic men into our Order and Councils. Please let’s take advantage of Pona’s skills in recruiting and invite him to your next scheduled Church Drive. Please coordinate his availability through our Hispanic Growth & Development Chairman Luis Leyva (email: leyva.azkofcd2@gmail.com).

Vivat Jesus,

Keith Baker
