To register and more information visit: [Arizona March For Life - March for Life](#)

We have 5 more months of the fraternal year to accomplish all our goals. Making Star council should be every Grand Knights goal for his Council and it begins with Membership combined with Good Programs. If you have not had a Membership Drive at your parish, NOW is the time to get one scheduled with your Pastor's knowledge, permission and remember these key points:

Member Engagement • What does your council do to enhance an individual's membership experience?

Member Experience • How do members view their experience in the council?

Remember to post your Membership Drives at: [Events Calendar | Arizona Knights Columbus \(kofc-az.org\)](#) and contact the State Council Team to remind them. They are more than willing to help you at your Membership Drives.

So, whether it's this month or the last week of June, WE NEED every Active Council in the State of Arizona to recruit one (1) new member, attend the CUF Exemplification and be on the Council Roster before June 30, 2023.

Last, but not least, Grand Knights are you sending out the Weekly Advisory and Monthly KOCOA Newsletter to your membership? If not, why? We realize there is a lot of information being sent out, but these are important and have pertinent information for your members. It is important that all your council members stay abreast of activities in not only their council but throughout the state. If these items cannot be sent, then please give your members the link to the state website so they review them: [Home \(kofc-az.org\)](#). Also, at council meetings be sure to bring up topics addressed in these newsletters.
