## Media Advisory

### Online Member Verification Process

State Deputy Weekly Updates (February 19, 2022)

February 19, 2022

“We are excited to announce a significant enhancement to the Order’s Online Member Verification Process. Beginning Tuesday, February 22, when a man joins the Order online and enters his unique email address, we will send to that email address a web link that the prospective member will click on to complete the join process. The prospective member will then have 24 hours within which to take this action. We are confident that these enhancements will greatly minimize the possibility of user error (incorrectly entering a verification code), and will give prospects ample time within which to complete the join process.”

“We will announce this enhancement in upcoming issues of Fraternal Leader Advisory and Agent Review. Meanwhile, please spread the word in your jurisdictions, and encourage your members to continue to encourage interested men to join the Knights of Columbus online.”
