

International Plastic Modelers' Society 2024 National Contest Categories

In general:

Specific scale applications for each Class are listed below at the start of each Class. Unless otherwise specified, each Category includes model subjects of all eras, types, subjects, and scales.

Split Categories:

Categories may be split into two or more sub-categories. The use and naming of splits will be based on the entries at the contest and determined by the National Contest Committee. Named splits are listed below. All other splits will be defined at the contest. The estimated number of splits per Class are listed below.

Awards Packages:

The total award packages (1st, 2nd, and 3rd place awards) will not exceed the sum of the categories, the estimated split counts listed herein, plus 4 additional award packages. *This comprises 181 listed categories and an estimated 19 additional splits, to be determined by the Chief Judge and Head Class Judges. For 2024, a maximum of 200 award packages may be presented.* This count is exclusive of any additional overall and theme awards.

0. Juniors (12 categories plus 1 estimated additional split)

Pre-Teen includes entrants through 12 years old.
