

COSMETOLOGY 1000 CLOCK HOURS

COSMETOLOGY CURRICULUM DESCRIPTION

Completing 1000 hours of applied effort and the following technical and operational requirements, a student will learn the art and science of cosmetology which includes hair cutting, styling, coloring and chemical services, skin, and nail care.

Graduates, once licensed, can secure positions as a hairstylist, chemical specialist, color specialist, make-up artist, skin care or manicuring specialist. Successful graduates will have the knowledge and skills needed to pass the required California State Board examination for Cosmetology licensure.

COURSE GOALS

- Knowledge of State Board Rules and Regulations, laws, and other administrative requirements of cosmetology practices.
- Assimilation of knowledge in hair chemistry, principles of electricity as they apply to Cosmetology and principles of hair design and styling, hair enhancements, nail care, skin care, hair change, and hair color.
- Demonstrations by students that they have met all the state behavioral objectives prescribed for the course preparatory to state licensure examinations.

COURSE MATERIALS

- Milady Standard Cosmetology, 13th Edition - Milady Publishing Corporation
- 2021 Barbering and Cosmetology Act and Regulations - California Department of Consumer Affairs
- Cosmetology kit
- Instructor Handouts
