Matthew 24:36-37 (NIV) ³⁶“But about that _____ or _____ no one knows, not even the _____ in heaven, nor the _____, but only the Father. ³⁷ As it was in the _____ of Noah, so it will be at the _____ of the Son of _____.

Holy Humor Time: Everyone needs to smile and laugh.

- Over Sixties One-liners**
2. People call at 9 pm and ask, 'Did I wake you?'
 3. Things you buy now won't wear out.
 4. You have a party and the neighbors don't even realize it.
 5. You no longer think of speed limits as a challenge.
 6. You quit trying to hold your stomach in, no matter who walks in.
 7. Your secrets are safe with your friends because they can't remember them either.
 8. I find it ironic that the colors red, white and blue stand for freedom until they are flashing behind you.

Senior Moments & Seniors Active In Life with Jay

At our luncheon on July 17th, I shared a devotion with those present. I would like to share it with everyone else here. TRASH DAY: Psalm 10;:12 – “He has removed our sins as far from us as the East is from the West.” Tuesday is trash day in our neighborhood. That means on Monday night, we get busy around our hose throwing away about anything that is not nailed to the ground. I collect the trash from each room and rejoice as I take overflowing trashcans to the curb to remove the clutter and junk from our home. Then the trash man dumps all my trash into his truck and drive away with it...never to be seen by us again! Hallelujah! Weekly, we get to wipe my hands clean of the rubbish in our life. Fortunately for us, we also have a spiritual TRASH DAY. But, instead of weekly, Jesus is willing to come daily, hourly, or each minute as we ask for forgiveness to remove the trash of sin from our lives. By His love and grace, He takes away the sin in our lives. He then dumps them at the foot of the cross and removes them from our presence permanently! As far as the east is from the west! He has cleansed us of our sins, and we are clean in His presence when we ask for and accept the forgiveness He offers us. There is no longer a need to be weighed down by the sins of the past – they are removed! How great is our God Who removes all the junk from within us – all we have to do is ask. I am so thankful for the forgiveness the LORD has granted me. Now, He says, go and do the same for others. Forgive them! Do not bring up old grievances in the heat of an argument. Do not hold them over their heads when you need something from them...forgive them. Remove the penalty of sin so far from them that is as far as the east is from the west!

Looking ahead, we are planning an outing to the Der Dutchman Restaurant in Plain City, Ohio on Thursday, August 21st. We will plan on leaving around 4:00 pm, from the church, so that you can enjoy the Cruise-In they have every Thursday till Labor Day. There will be hundreds of cars there to view after you have filled up on a great buffet they have. The cost of the Barn Raising Buffet including their outstanding Salad Bar is \$19.49 per person and drinks around \$3.00. So, start saving for this event now. There will be a sign-up sheet at the Welcome Center to let us know how many are going.

BLESSING BOX: we are in great need of all kinds of canned vegetables; Packages of Instant Potatoes, Noodles, and Gravy Mix.

CHRISTMAS SHOEBOX: **Girls:** dolls, Playdoh; Stickers; Finger Puppets; school supplies; jump ropes. **Boys:** Building blocks; Slinky; Yo-yos; Magnets; Matchbox cars; small dump trucks and loaders.

Reminder that we are studying the Book of Revelation on Wednesday evenings at THE AVENUE at 6 pm. Not too late to jump into the study. Learn what the future holds for us as Christians and this world. Pizza fellowship starts at 5:30 pm. Come join us!

I thought maybe you would enjoy a little humor this month.
You know it’s July when your seatbelt becomes a branding iron.
Flip flops: the only shoes that slap back.
I sneaked onto a beach early this morning...the coast was clear.
Sand: Nature’s glitter... and just as hard to get rid of!
What type of eagle do you see at a beach? A seagull.
The beach is very confident... ...in fact its 100% shore.

It’s so hot this summer... The Halloween candy at Walmart is starting to melt.
Summer vacation was over, and the teacher asked Little Johnny about his family trip. “We visited my grandmother in Minneapolis, Minnesota.” The teacher asked, “Good, can you tell the class how you spell that?” Little Johnny thought for a few seconds and said, “Actually, we went to Ohio.”
Hope you enjoy this. Yes, it’s hot but that means you can get outside more often and enjoy it. Take advantage of the good days. Before you know it, we will be looking at cooler to cold weather again.

Blessings to all...Jay
