"GETTING
CONNECTED ...
GROWING
SPIRITUALLY...
REACHING
OUT"

From David's Desk

God's Timing

Several years ago, I was searching for a new job after being laid off. Despite sending out countless applications and attending numerous interviews, nothing seemed to work out. I grew anxious and started doubting whether things would ever change. Then, just when I was about to give up hope, I received a call for an interview at a company I had always admired.

The timing was perfect—it turned out that this position had only just opened up due to a recent promotion within the company. Not only did I get the job, but it was also a better fit for my skills and values than anything I had applied for before. Looking back, I realized that had I been hired earlier at another company, I would have missed this opportunity. It taught me to trust in God's timing, knowing that He sees the bigger picture even when we do not.

That story up above is just one of thousands that I found and God is amazing, isn't He? Looking back on my life, I see time and time again how if I only would have waited on God's Timing, things always seem to work out. Ever since my family came to Greenfield Church of Christ, we have been trying to move to the area, but, like most of us, we were trying to do it on our schedule, in our timing, but nothing seemed to work. But as soon as we let go of the control of our life and gave it to God, all the pieces finally fit and as of April 14th, 2026, we are now moving into the area!

*5 Trust in the Lord with all your heart and lean not on your own understanding;
6 in all your ways submit to him, and he will make your paths straight. Proverbs 3:5-6*
