

ADAM'S ADVENTURE

Adam and his mom, dad, brother, and baby sister were going on a trip.

They packed three big suitcases and drove in their red car to a train station.

The train screeched to a stop and went toot toot, as it took off.

Adam and his family rode the train all the way to the beach.

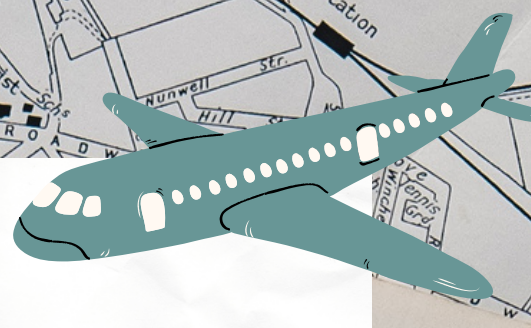

Adam brought to the beach a hat, sunscreen, a ball, and a shovel.

Why does Adam need a
shovel?

Adam fell into the sand and started to dig.

Dig, dig, pat, pat, scoop, scoop, build, build.

Soon Adam made the biggest sand castle he had ever seen!

It had tunnels, towers, and seashells.

People walking along the beach took out cameras to snap a shot of his castle.

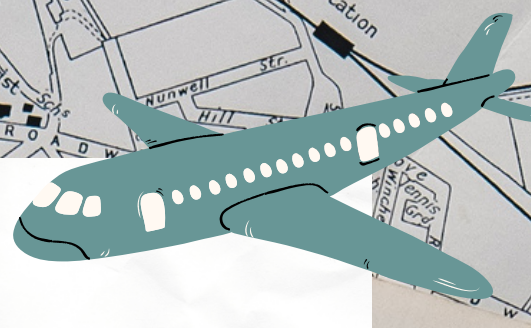

His art was famous!

Too bad sand castles did not go in museums
Adam thought.
