About

I am Mayra, California Licensed Esthetician and Bridal Makeup Expert. Offering over 25 years of Makeup Artistry Experience.

I began working with Brides on San Juan Island in 2010 while employed at Roche Harbor's Afterglow Spa. After 10 years of dedicated service in spa administration and management, I decided to branch out on my own and revive GlowIn Makeup.

With the blessing and love from the Roche Harbor events team, I have gratefully been on their vendor list as an independent contractor ever since.

I pack spa quality skincare and foundations for a natural, radiant and healthy look, and incorporate studio lines and airbrush makeup creating long-lasting results for your most treasured photos, for years to come!
