### EVENTS LIKE THIS HELP GET KIDS BACK TO BEING KIDS

The generosity of our community makes all the difference FOR John R. Oishei Children's Hospital (OCH) in Buffalo, NY.

The latest equipment that unlocks new neurosurgical treatment options. An additional lifesaving machine for when it's needed most. A specialized Transport Team equipped for patients just hours old.

All this is made possible by the outpouring of support from around the world for the Patricia Allen Fund. Developed with the input of quarterback Josh Allen, 100% of donations support OCH's critical care team – including proceeds from today!
