## Carmen Corbasson Community Centre Redevelopment

*"I hope everyone will take this opportunity to comment  
on this very important development for our community!"*

- Councillor Stephen Dasko, Ward 1

**The City of Mississauga will be redeveloping the Carmen Corbasson Community Centre starting in 2022, to ensure the programs and services offered continues to meet the needs of the community. This facility was originally built in 1972, and had an expansion in 2002.**

Aquatics Centre

Fitness Centre

**Provisions of this exciting redevelopment will include the following:**

- 6 lane, 25 metre indoor aquatics centre and therapeutic (warm water) tank
- Equipment based fitness centre and studio
- Multi-purpose program space
- Improved site circulation
- Cosmetic and functional upgrades on existing spaces (arenas, gymnasium, multi-purpose rooms, walking track)
